

## Summary of Bids Received

**Project:** Delany Road Traffic Signal Detection Modernization  
**Section:** 26-00268-32-TL

**CPMS Pin:** B-01651  
**Let Date:** April 14, 2026

**Description:** This project is located at various intersections along Delany Road (County route W27). These intersections include Sunset Avenue (County route A19), Continental Drive, Gent Drive, York House Road (County route A15), and Wadsworth Road (County route A9). This project is located in the Village of Wadsworth. This project consists of the removal of existing Video Vehicle Detection Systems from the traffic signals located at the various intersections listed above, including removal of all related electrical cable from existing conduits. The removed Vehicle Detection Systems will be replaced with new Video Detection Systems at each intersection. Any Traffic Control and Maintenance of Existing Traffic Signals required to complete this work is also included within the project.
