

## LAKE COUNTY PUBLIC NUISANCE ORDINANCE

WHEREAS, on October 9, 1984 the Lake County Board adopted the Lake County Public Nuisance Ordinance; and

WHEREAS, on May 12, 1987, May 13, 2003, July 12, 2011, September 13, 2011, April 8, 2014, September 9, 2014 the Lake County Board amended the Lake County Public Nuisance Ordinance; and

WHEREAS, pursuant to 55 ILCS 5/5-1092, counties have the authority to declare vehicles which have been inoperable for a period of at least 7 days or any longer period of time fixed by ordinance, to be nuisances, and to authorize fines to be levied for the failure of any person to obey a notice to dispose of any inoperable motor vehicle under his control; and

WHEREAS, pursuant to 55 ILCS 5/5-12002.1, this County Board has the authority to find that the proliferation of hazardous dilapidated motor vehicles poses a threat to the health, safety, and welfare of the citizens of Lake County, Illinois, and authorizes immediate removal, by a local law enforcement agency; and

WHEREAS, pursuant to 720 ILCS 5/47-5, counties have the authority to declare what shall be public nuisances and to abate the same with respect to the territory within the county and outside the corporate limits of any city, village, or incorporated town; and

WHEREAS, pursuant to 55 ILCS 5/5-43005, specified counties including the County of Lake have the authority to implement the process of administrative adjudication; and

WHEREAS, the Lake County Board of Health has the authority to enforce environmental and health-related nuisances throughout Lake County, Illinois; and

WHEREAS, the County Board finds that inoperable vehicles, hazardous dilapidated vehicles and junk and debris have been and continue to be a detriment to the health, safety and welfare of the citizens of Lake County, Illinois, specifically, among other reasons, because they tend to harbor insects and attract vermin, cause traffic and safety hazards, cause visual blight, pose a threat of environmental contamination, interfere with the use of enjoyment of property, and depreciate property values, and therefore hereby declares inoperable vehicles and junk and debris to be public nuisances; and

WHEREAS, the County Board finds that drainage obstructions have a detrimental effect on the health, safety and welfare of the citizens of Lake County, Illinois, specifically for, among other reasons, such obstructions tend to cause flooding, create traffic and safety hazards, depreciate

property values, harbor insects and attract vermin, and interfere with the use and enjoyment of property, and therefore hereby declares drainage obstructions to be a public nuisance; and

WHEREAS, the County Board finds that excessively loud sound amplification systems and off road motor vehicles on private property operating at any time of the day or night, and that other unreasonably loud noises during nighttime hours tend to have a detrimental effect on the health, safety and welfare of the citizens of Lake County, Illinois, specifically for the reasons that such noise tends to disturb the peace, interfere with the use and enjoyment of property, cause noise pollution, depreciate property values, and be the source of conflict between neighboring property owners, and therefore hereby declares excessive noise to be a public nuisance; and

WHEREAS, this County Board finds that smoke emanating from burning landscape waste is a detriment to the public health, safety and welfare of the citizens of Lake County, Illinois because such smoke creates a hazardous condition for all individuals who breathe the smoke and particulate matter contained within it, and that local populations meeting certain specified criteria are particularly impacted by smoke emanating from open burning of landscape waste, including where a dense unincorporated population is adjacent to a large educational facility with indoor and outdoor activities, and therefore hereby declares the open burning of landscape waste in such specified areas to be a public nuisance; and

WHEREAS, this County Board finds that the various nuisance and property maintenance-related regulations provided in the Public Nuisance and Graffiti Ordinances and the Board of Health Ordinance may be consolidated into the Lake County Public Nuisance Ordinance in order to facilitate more effective, consistent joint enforcement of these regulations; and

WHEREAS, this County Board finds that dangerous structures are a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, and hereby declares dangerous structures to be a public nuisance; and

WHEREAS, this County Board finds that renting or leasing unfit living quarters is a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, and hereby declares renting or leasing unfit living quarters to be a public nuisance; and

WHEREAS, this County Board finds that an improperly maintained onsite wastewater disposal system or water well is a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, and hereby declares that an improperly maintained onsite wastewater disposal system or water well to be a public nuisance; and

WHEREAS, this County Board finds that an accumulation of pet/animal feces or manure are a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, and hereby declares that an accumulation of pet/animal feces or manure to be a public nuisance; and

WHEREAS, this County Board finds that pest or vermin infestations are a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, and hereby declares that pest or vermin infestations to be a public nuisance; and

WHEREAS, this County Board finds that graffiti and the defacement of public and private property is a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, specifically, among other reasons, because such graffiti and the defacement of public and private property tends to depreciate property values, encourage the spread of graffiti, interfere with the use and enjoyment of property, and hereby declares that graffiti and the defacement of public and private property to be a public nuisance; and

WHEREAS, this County Board finds that an overgrowth of high grass and/or weeds is a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, specifically, among other reasons, because such overgrowth tends to depreciate property values, harbor insects and attract vermin, and interfere with the use and enjoyment of property, and hereby declares that an overgrowth of high grass and/or weeds to be a public nuisance; and

WHEREAS, this County Board finds that the storage of construction materials or an accumulation of rubbish, garbage, or refuse is a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, specifically, among other reasons, because such storage tends to depreciate property values, harbor insects and attract vermin, cause traffic and safety hazards, cause visual blight, and interfere with the use and enjoyment of property, and hereby declares storage of construction materials or an accumulation of rubbish, garbage, or refuse to be a public nuisance; and

WHEREAS, this County Board finds that the repeated violation of nuisance regulations on any property is a further chronic detriment to the public health, safety and welfare of the citizens of Lake County, Illinois, and hereby establishes enhanced penalties for such chronic violations; and

WHEREAS, this County Board finds that the process of administrative adjudication provides an additional enforcement mechanism to expeditiously resolve nuisance violations, and induce more frequent voluntary compliance with such regulations as compared to the circuit court process, and hereby authorizes the use of administrative adjudication as an additional enforcement mechanism for public nuisances as defined herein; and

WHEREAS, the Illinois Tanning Facility Permit Act and the Illinois Department of Public Health Tanning Facilities Code recognize and have declared tanning facilities which operate without a valid permit to be a public nuisance; and

WHEREAS, the Illinois Tattoo and Body Piercing Establishment Registration Act and the Illinois Department of Public Health Body Art Code recognize and have declared tattoo and/or body piercing establishments which operate without a valid permit to be a public nuisance; and

WHEREAS, this County Board finds that the operation of a tanning facility, tattoo and/or body piercing establishment without a valid permit a detriment to the public health, safety, and welfare of the citizens of Lake County, Illinois, specifically, among other reasons, because permits require compliance with operational requirements and failure to comply with such operational requirements can significantly increase the health and safety risks of these activities, and hereby declares the operation of a tanning facility, tattoo and/or body piercing establishment without a valid permit issued by the Department of Public Health to be a public nuisance.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY BOARD OF THE COUNTY OF LAKE, ILLINOIS, as follows:

## **Article 1 – General**

**Section 1. Title.** This Ordinance shall be known as the Lake County Public Nuisance Ordinance of the County of LAKE, hereinafter referred to as “this Ordinance.”

**Section 2. Jurisdiction and Applicability.** The provisions of this Ordinance shall apply to incorporated areas (those areas which are located within the corporate limits of any City, village, or incorporated town) as well as unincorporated areas (those areas which are outside the corporate limits of any City, village, or incorporated town) of Lake County, Illinois in accordance with the jurisdictional or contractual authority of the enforcing County Department, with the exception of Article 2, Sections 1(a), 1(e), 1(f), 1(i), 2(a) and Section 3, which shall apply only to unincorporated areas of Lake County, Illinois.

**Section 3. Purpose.** The purpose of this Ordinance is to define and abate public nuisances in Lake County, Illinois.

#### **Section 4. Definitions.**

- (a) Ceremonial Fire:** An outdoor fire no larger than 3' x 3' x 3' which is used for entertainment purposes as part of a specifically scheduled public or private event and the fire does not contain leaves, grass or shrubbery clippings or cuttings, garbage or junk and debris.
- (b) Chronic Nuisance Property:** Any property upon which two (2) or more nuisance activities or conditions, as defined in this Ordinance, have occurred during any three (3) year period; such chronic nuisance property status shall result either from: (i) two (2) or more distinct types of nuisance conditions or activities on such property (even if arising from the same factual circumstances or investigation), (ii) two (2) or more separate factual events that have been separately investigated by an enforcement officer involving the same nuisance condition or activity, or (iii) a combination of two (2) or more conditions, activities, or events as described in (i) and (ii).
- (c) Designated Unincorporated Area:** Means an unincorporated area less than one square mile in size meeting the following criteria: (1) the unincorporated area is adjacent to an educational facility containing a large population of students and adults involved in activities both inside and outside the school structure, (2) the educational facility has received complaints concerning the burning of landscape waste in the area, (3) the unincorporated area is completely surrounded by one or more municipalities that ban landscape waste burning, (4) the unincorporated area is densely populated, herein defined as containing more than one hundred (100) homes with a lot area averaging less than one acre in size within a quarter mile of the educational facility, and (5) five hundred (500) or more feet of unincorporated area abuts the property border of the educational facility.
- (d) Ditch:** Any artificially constructed open drain or natural drain that has been artificially improved.
- (e) Drain:** Any ditch, watercourse or conduit, whether open, covered or enclosed, natural or artificial, or partly natural and partially artificial, by which surface waters coming or falling upon lands are carried away.

- (f) Garbage:** Organic waste resulting from preparation, processing, handling, and storage of food and all decayed or spoiled food from any source.
- (g) Graffiti:** Any symbol, announcement, insignia, name, identification, inscription, picture, or similar marking, including, without limitation any letter, word, numeral, emblem, or combination thereof that is painted, written, drawn, scratched, marked, etched, sprayed, engraved, or any other way placed on or affixed to any wall, fence, sign, building, or any other structure, or any sidewalk, pavement, curb, post, stone, tree, or other public or private property without the prior written permission of the owner or occupant of the property, except as permitted by federal, state or County statute, ordinance, or regulation.
- (h) Hazardous Dilapidated Motor Vehicle:** Any motor vehicle with a substantial number of essential parts, as defined by Section 1-118 of The Illinois Vehicle Code, either damaged, removed, or altered or otherwise so treated that the vehicle is incapable of being driven under its own motor power or, which by its general state of deterioration, poses a threat to the public's health, safety, and welfare. "Essential parts" includes the following, as defined by Section 1-118 of the Illinois Vehicle Code, vehicle hulks, shells, chassis, frames, front end assemblies, front clip, rear clip, doors, hatchbacks, fenders, cabs, cab clips, cowls, hoods, trunk lids, deck lids, T-Tops, sunroofs, moon roofs, astro roofs, transmissions of vehicles of the second division, seats, aluminum wheels, engines and similar parts. "Hazardous dilapidated motor vehicle" shall not include any motor vehicle that has been rendered temporarily incapable of being driven under its own motor power in order to perform ordinary service or repair operations.
- (i) Health Officer:** The Executive Director of the Lake County Health Department or a designated agent.
- (j) Inoperable Vehicle:** Any motor vehicle from which, for a period of at least seven (7) days, the engine, wheels or other parts have been removed, or on which the engine, wheels or other parts have been altered, damaged or otherwise so treated that the vehicle is incapable of being driven under its own power. Any motor vehicle that does not have a current license plate or current license tags attached to it shall also be considered an inoperable vehicle. Inoperable motor vehicle does not

include a motor vehicle which has been rendered temporarily incapable of being driven under its own motor power in order to perform ordinary service or repair operations.

**(k) Junk and Debris:** Includes but is not limited to garbage, tree branches, grass clippings, yard trimmings, leaves, paper, cardboard, cartons, boxes, barrels, wood, lumber, concrete, appliances, furniture, glass, bottles, crockery, tin cans, vehicle parts, boats, furniture and any other manufactured or constructed object which has outlived its usefulness in its original form (notwithstanding the fact that the object may have scrap value or could be reconditioned with substantial repair) where such object, due to its present condition and/or visibility, may reasonably be construed to be unsightly, dangerous, or creating a condition that is detrimental or potentially detrimental to the health and/or safety of the inhabitants of Lake County, Illinois. As used herein the phrase junk and debris does not include inoperable vehicles.

**(l) Motor Vehicle:** A vehicle which is propelled by a motor or engine but is not operated upon rails.

**(m) Open Burning:** The combustion of any matter outdoors in such a way that the products of the combustion are emitted to the open air without first originating in or passing through equipment for which a permit has been issued by the state environmental protection agency.

**(n) Owner:** Any person, agent, firm or corporation having any legal or equitable interest in the property. Owner includes, but is not limited to:

(1) A mortgagee in possession in who is vested:

(i) All or part of the legal title to the property.

(ii) All or part of the beneficial ownership and the rights to the present use and enjoyment of the premises.

(2) An occupant who can control what occurs on the property.

**(o) Recreational Fire:** An outdoor fire no larger than 3' x 3' x 3' which is used for warmth, cooking for human consumption and/or temporary non-ceremonial

purposes where the fire does not contain leaves, grass or shrubbery clippings or cuttings, garbage or junk and debris.

**(p) Specified Landscape Waste:** All accumulations of shrubbery cuttings, leaves, or other materials accumulated as a result of care of real property.

**(q) Weeds:** An undesirable composition of plants that interferes with the maintenance or management objectives for a given property or area of land.

**(q)(r) Non-Customary Outdoor Storage:** The accumulation of items in excess of what is customarily and reasonably necessary for the use of the property and/or which, by its placement and/or condition whether reusable or not, has the potential to (1) cause, through visual blight or odor, impairment of the use or enjoyment of neighboring properties, (2) pose a risk to public health by the harboring of vermin, (3) pose a risk of environmental contamination and/or (4) pose a risk to public safety. Such material accumulation may include, but is not limited to junk and debris; rubbish, garbage or refuse; vehicle parts; business supplies or inventory; construction materials not incidental to an active permitted construction project on-site; storage of yard maintenance equipment, vehicles, recreational equipment or lawn furniture in numbers or variety beyond customarily necessary for the use of the property; abandoned, discarded, or unused objects or equipment, not customarily stored outside such as indoor furniture, stoves, refrigerators, freezers, washers/dryers or other appliances, electronic equipment, boxes and other containers; clothing; or any combinations thereof.

---

## **Article 2 – Declaration of Acts Constituting a Public Nuisance**

### **Section 1. Exterior Property Areas.**

#### **(a) Motor Vehicles**

**1. Inoperable Vehicle.** It is a public nuisance to keep or store any inoperable vehicle on public or private property unless said motor vehicle is: (1) kept within an enclosed building, or (2) is stored or kept on premises properly zoned for and

engaged in the business of wrecking or junking motor vehicles or an approved vehicle repair use as defined in the Unified Development Ordinance.

**2. Hazardous Dilapidated Motor Vehicle.** It is a public nuisance to proliferate a hazardous dilapidated motor vehicle, whether on public or private property, in view of the public.

**(b) Junk and Debris.** It is a public nuisance to keep or store junk and debris on public or private property except in a State-permitted landfill or on premises properly zoned for, and engaged in the business of, a junk yard.

**(c) High Grass and/or Weeds.** It is a public nuisance to fail to maintain a property free from grass and/or weed growth in excess of 10 inches in height within platted subdivisions. Excluded from this provision are the following:

- 1) Areas preserved within an open space easement or plat-designated natural area.
- 2) Plant growth that, in the opinion of the Enforcement Officer, enhances, protects, restores or otherwise supports an identified natural resource.
- 3) Plant growth within the tree-line of a natural wooded area.

**(d) Disruption of a Ditch or Natural Drain/Standing Water.** It is a public nuisance to disrupt, disturb or interfere with any ditches or natural drains across land in such a manner that such ditches or natural drains shall fill or become obstructed with any matter which materially impedes or interferes with the flow of water or redirects water onto another's property, except as otherwise authorized by law, or to otherwise create or permit the continued existence of a condition of standing water where the standing water may facilitate or encourage the breeding of mosquitoes.

**(e) Storage of Construction Materials.** It is a public nuisance to store lumber or other building materials, construction vehicles, and/or construction equipment, not in connection with a permitted building project in progress on the property.

- (f) Graffiti.** It is a public nuisance for any person to place graffiti on any property or for any person having control of any property to allow, permit, or otherwise tolerate graffiti to be placed on or to remain on that property.
- (g) Accumulation of Rubbish, Garbage or Refuse.** It is a public nuisance to allow accumulation of rubbish, garbage or refuse on any property.
- (h) Burning Rubbish, Garbage, Refuse or Construction Debris.** It is a public nuisance to burn rubbish, garbage, refuse or construction debris on any property.
- (i) Open Burning of Landscape Waste.** It is a public nuisance to conduct open burning of grass clippings and tree trunks in the designated unincorporated area, subject to the following exceptions:
- (1) The prohibition specified in this subsection (i) shall not apply to: recreational fires, campfires, self-contained outdoor burn devices, and ceremonial fires if no garbage, junk and debris, grass clippings, tree trunks, leaves, flowers, or weeds are burned in such fires.
- (2) Notwithstanding the prohibition of this subsection (i), open burning of specified landscape waste shall be allowed in the designated unincorporated area when all of the following restrictions are met:
- (i) the burning is conducted between five o'clock (5:00) PM and eight o'clock (8:00) PM or sunset, whichever is earlier, Monday through Friday and between twelve o'clock (12:00) PM and eight o'clock (8:00) PM or sunset, whichever is earlier, on Saturdays, Sundays and legal holidays;
  - (ii) the burning has been extinguished with no smoke emanating after eight o'clock (8:00) PM or sunset whichever is earlier;
  - (iii) the burning occurs on the premises where the landscape waste was generated; and
  - (iv) the burning is conducted no closer than fifty (50) feet from a school property line, fifty (50) feet from the centerline of the road, twenty-five (25) feet from a building, and twenty-five (25) feet from the

side property line.

**(j) Onsite Wastewater Disposal System.** It is a public nuisance to maintain and/or operate an onsite wastewater disposal system in a condition that the Health Officer determines is detrimental or potentially detrimental to the health and/or safety of the inhabitants of Lake County, Illinois including, but not limited to, a cracked/damaged septic tank riser or cover, an exposed drop/distribution box, failure to properly supply, operate or maintain the disinfecting component of a surface discharge onsite wastewater disposal system, or failure to provide required reports of inspection and/or management activities of an onsite wastewater disposal system or system component.

**(k) Water Well.** It is a public nuisance to maintain and/or operate a water well in a condition that the Health Officer determines is detrimental or potentially detrimental to the health and/or safety of the inhabitants of Lake County, Illinois including, but not limited to, a loose or damaged well cap.

**~~(k)(l)~~ Non-Customary Outdoor Storage.** It is a public nuisance to accumulate or allow to be accumulated non-customary outdoor storage on public or private property except in a State-permitted landfill or on premises properly zoned for and engaged in the business of a junk yard.

## **Section 2. Structures.**

**(a) Dangerous Structures.** It is a public nuisance to allow any building, mobile home, shed, fence or other manmade structure to exist that is hazardous to public health and/or safety because of its condition, faulty construction, lack of proper repair or its openness to intrusion.

**(b) Renting or Leasing Unfit Living Quarters.** It is a public nuisance to rent or lease quarters for human habitation that, as determined by the Health Officer, are unfit for human habitation, or present/contain conditions that are detrimental to the health of the inhabitants, including but not limited to: a lack of potable water supply or a lack of adequate means of wastewater disposal.

## **Section 3. Noise.**

- (a) Sound Amplification.** It is a public nuisance to operate or permit operation of any radio or stereo sound amplification system or other sound amplification equipment which: 1) can be heard at a distance of one hundred feet (100') or more from the source vehicle or 2) can be heard at a distance of one hundred feet (100') from the property line of the source property, or 3) which exceeds 70db(A) (SLOW meter response) at the property line of any neighboring property zoned and used for residential purposes.
- (b) Construction Noise.** It is a public nuisance to perform or allow to be performed construction, repair or remodeling work, lawn mowing, or to utilize power or non-power tools where the noise from such can be heard from a distance of one hundred feet (100') or more from the property line of the source of the noise between nine o'clock (9:00) P.M. and six o'clock (6:00) A.M. Monday through Friday and on Saturdays, Sundays, and legal holidays between nine o'clock (9:00) P.M. and eight o'clock (8:00) A.M. Excluded from the provisions of this subsection are lands or portions of any lands zoned and used for agricultural purposes, and work performed by or on behalf of any public body or in response to emergencies.
- (c) Noise from Off Road Vehicles.** It is a public nuisance to operate off road motor vehicles, including motorcycles, mini-bikes, all terrain cycles, snowmobiles or other like or similar motor vehicles, on private property where the noise from which can be heard from a distance of one hundred feet (100') or more from the property line of the source of the noise in such a manner as to disturb the peace and comfort of occupants of neighboring or surrounding properties. Excluded from the provisions of this subsection are agricultural motor vehicles used for agricultural purposes and work performed by or on behalf of any public body.

#### **Section 4. Animals and Pests.**

- (a) Pet/Animal Feces or Manure.** It is a public nuisance to allow the buildup on a property of pet/animal feces or manure to the extent that it creates a condition that is detrimental or potentially detrimental to the health and/or safety of the inhabitants of Lake County, Illinois.

**(b) Pests or Vermin Infestations.** It is a public nuisance to allow an infestation in a structure or on a property of pests or vermin that may be involved in the transmission of communicable disease, or to fail to remove conditions in a structure or on a property that may permit such infestation.

#### **Section 5. Certain Licensed/Permitted Business Activities.**

**(a) Tanning Facilities.** It is a public nuisance to operate a tanning facility without a valid permit issued by the Illinois Department of Public Health contrary to the provisions of the Illinois Tanning Facility Permit Act or the Illinois Department of Public Health Tanning Facilities Code.

**(b) Tattoo and Body Piercing Establishments.** It is a public nuisance to operate a tattoo and/or body piercing establishment without a valid permit issued by the Illinois Department of Public Health contrary to the provisions of the Illinois Tattoo and Body Piercing Establishment Registration Act or the Illinois Department of Public Health Body Art Code.

---

### **Article 3 – Enforcement**

**Section 1. Enforcement Officer(s).** Article 1, Section 2; Article 2, Section 1(j) and (k), Section 2(b), Section 4(b), and Section 5 (where such authority is established by contract, agent agreement, statute or administrative rule) of this Ordinance shall be primarily enforced by the Lake County Health Department. All other sections of this Ordinance shall be jointly enforced by the Lake County Health Department, the Lake County Planning, Building & Development Department, and the Lake County Sheriff's Office.

**Section 2. Warning of Ordinance Violation.** The Enforcement Officer, as defined in Article 3, Section 1, shall have the authority to issue a Warning of Ordinance Violation when an individual or owner has been found to be in violation of any Section of this Ordinance. The Warning shall, at a minimum, identify the violation for which it is being issued, shall include the address in which the violation has occurred, shall require the

violator to cease the violation(s) or abate the violation(s) within no less than seven (7) days, and shall state that a Notice of Ordinance Violation may be issued if the Warning is not adhered to as specified.

**Section 3. Notice of Ordinance Violation.** If an individual or owner has previously been issued a Warning of Ordinance Violation and fails to abate the violation by the date specified in the Warning, or if an individual or owner is in violation of Article 2, Section 1(h), Section 1(i), Section 3(a), Section 3(b), or Section 3(c), the Enforcement Officer shall have authority to issue a Notice of Ordinance Violation. If Administrative Adjudication is found to be the appropriate remedy to resolve the violation, the Notice must be served in accordance with and shall contain all information specified and required in the Lake County Administrative Adjudication Ordinance. Prior to the hearing date documented on the Notice of Ordinance Violation, the Respondent may elect to abate or cease the violation for which the Notice of Ordinance Violation was issued, pay the fine listed on the Notice of Ordinance Violation, and not participate in the hearing.

**Section 4. Initiation of Enforcement Action.** After the County has given notice in accordance with this Ordinance, in addition to all other remedies available to the County and upon the failure of the recipient of the notice to abate or remove nuisances on the property within the time specified by such notice, or as set forth above, the County may initiate abatement or enforcement actions with respect to any new, recurring, or continued nuisance condition or activity without further notice.

**Section 5. Injunctive Relief.** In addition to or in lieu of the actions authorized under any other provision of this Ordinance, the County may request a court of competent jurisdiction for injunctive relief, a cease and desist order, or any other necessary or convenient relief to abate all nuisances.

**Section 6. Chronic Nuisances.** Upon determination by the Enforcement Officer that a property is a chronic nuisance property, the Enforcement Officer shall cause to be served upon the owner of such property a notice that the property has been found to be a chronic

nuisance property. If the owner of such property cannot be found after reasonable efforts, the notice required by this provision may be served upon the occupant of the property or upon the person or persons causing, permitting, or maintaining any then-existing nuisances on the property. The notice shall direct the recipient of the notice to abate or remove such nuisance within twenty-four (24) hours or such time as is reasonable, and shall state that if the nuisance is not abated or removed in such time, the County may take appropriate action to abate or remove such nuisance at the sole cost and expense of the recipient of the notice.

#### **Article 4 – Penalties**

**Section 1. Assessment of Fines.** As pertains to any fines authorized by this Ordinance, by any other Lake County Ordinance, Lake County Administrative Adjudication-Ordinance, or by State of Illinois statute, whoever suffers or permits any public nuisance or nuisance as specified in this Ordinance to exist or continue in violation of this Ordinance shall be subject to a separate fine for each offense. Fines may also be assessed by a court of competent jurisdiction or a Hearing Officer pursuant to the Lake County Administrative Adjudication Ordinance for failure to abate violations of this Ordinance in accordance with this Ordinance, State of Illinois statute or the Lake County Administrative Adjudication Ordinance. Each day that a violation of this ordinance exists or continues shall be considered a separate offense and any fine or fines for these separate offenses shall be assessed in accordance with applicable State of Illinois statutes.

**Section 2. Chronic Nuisance Properties.** Upon the finding by a court of competent jurisdiction or a Hearing Officer pursuant to the Lake County Administrative Adjudication Ordinance, the County may record on the chain of title for such property in the Lake County Recorder's Office a notice that such property is a chronic nuisance, provided that a further notice shall later be recorded at such time that the property ceases to be a chronic nuisance property. A property that is found to be a chronic nuisance property shall remain a chronic nuisance property until such time that the Enforcement Officer or the Enforcement Officer's designee certifies that the property has remained nuisance-free for twenty-four (24) consecutive months.

---

#### **Article 5 – Abatement**

### **Section1. Hazardous Dilapidated Motor Vehicles.**

- (a) Authority to Abate. Notwithstanding any other enforcement provision of this Ordinance, Lake County Sheriff is authorized to the immediately remove the hazardous dilapidated motor vehicle(s) or parts thereof from private or public property.
- (b) Notice. The real property owner where the vehicle is located or the vehicle owner shall be given ten days' notice, via certified mail, prior to removal of any hazardous dilapidated motor vehicle.
- (c) Objection. The real property owner where the vehicle is located or the vehicle owner subject to abatement may request a hearing before the Administrative Adjudication Hearing Officer. The request for hearing must be made within 10 days of the date of the notice and must be made in writing to the Enforcement Programs Manager. The hearing shall be scheduled on the next Administrative Adjudication hearing date. If a request for hearing is received, abatement will be stayed until after the hearing has been conducted.
- (d) Costs. If the Lake County Sheriff authorizes the immediate removal of the hazardous dilapidated vehicle, the Respondent will be responsible for all costs associated with the removal and storage of the vehicle.

**Section 2. Junk and Debris.** Notwithstanding any other enforcement provision of this Ordinance, after a finding that any individual has kept or stored junk and debris on public or private property in violation of this Ordinance by either a court of competent jurisdiction or a Hearing Officer, the Enforcement Officer is authorized to abate such nuisance. The Enforcement Officer may abate the nuisance after expiration of thirty-five days, unless judicial review is not sought. If judicial review is sought, abatement shall be stayed until final determination on the matter. If the Enforcement Officer abates the violation, the Respondent will be responsible for all costs incurred to bring the property into compliance with this Ordinance.

**Section 3. Non-Customary Outdoor Storage.** Notwithstanding any other enforcement provision of this Ordinance, after a finding that any individual has stored items outdoors in a manner as defined in this ordinance on public or private property in violation of this Ordinance by either a court of competent jurisdiction or a Hearing Officer, the Enforcement Officer is

authorized to abate such nuisance. The Enforcement Officer may abate the nuisance after expiration of thirty-five days, unless judicial review is not sought. If judicial review is sought, abatement shall be stayed until final determination on the matter. If the Enforcement Officer abates the violation, the Respondent will be responsible for all costs incurred to bring the property into compliance with this Ordinance.

**Section 43. Abatement Costs.** If the Respondent fails to abate any violation, and the Lake County Sheriff or Enforcement Officer abate the violation as provided for in this Article 5, the Respondent shall be liable for all costs of abatement. The costs of abatement will, after a hearing, be set by the court or the Administrative Adjudication Hearing Officer. The Respondent shall be given at least ten (10) days written notice of the hearing to assess the costs via regular mail to the Respondent's last known address.

## **Article 6 – Interpretation and Conflict**

**Section 1. Separability, Partial Invalidity.** The provisions of this Ordinance shall be separable. In the event any section, clause or provision of this Ordinance is declared to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder of the Ordinance not specifically included in said decision which shall remain effective, it being the intent of this County Board that this Ordinance would have been approved without such invalid provisions, clauses or sections.

**Section 2. Conflict.** If the provisions of this Ordinance conflict with provisions found in any other adopted ordinances or regulations of the county, or with any federal or State of Illinois law, the more restrictive provision of ordinance or law will control. The inclusion of provisions in this Ordinance that are also contained in other Lake County ordinances or regulations does not negate the ability of the Enforcement Officer to enforce these provisions under the terms and authority of these other ordinances or regulations. However, in no case shall any provision contained in this Ordinance be enforced under the terms and authority of more than one Lake County Ordinance or regulation.

**Section 3. Compliance:** Compliance with this Ordinance does not release persons from compliance with applicable federal or State of Illinois law, or other Lake County Ordinances or regulations.

**Section 4. Effective Date.** This Ordinance shall be in full force and effect immediately upon its passage.
