Attached please find an electronic copy of the requested Letter of No Wetland Impact (LONI) for the above-referenced property. This letter addresses Lake County WDO comment #3 from Trotter & Associates' August 7, 2025, review #1 letter. **Please note that this LONI does not authorize construction.** Additional approvals or authorizations may be required from the Village of Barrington Hills for the proposed development. We recommend you continue coordination with the Village and Trotter to ensure compliance with all necessary requirements.

The letter is in Adobe Acrobat (pdf) format. A copy of Adobe Acrobat Reader can be obtained free of charge from the following link: <http://www.adobe.com>.
