Good Afternoon:

Legistar File # 11-0044

Agenda Item # 10.1.1 Variation request to allow the proposed Schall Subdivision final plat and subdivision performance guarantees to be recorded one year after Final Plat approval in order to allow the applicant more time to obtain the performance assurances from the lending institution.

Chairman Thomson-Carter would appreciate knowing your position regarding this agenda item prior to the meeting. You may reply to this email with your comments, and they will be forwarded to Commissioner Thomson-Carter. Thank you for your input!
