RECOMMENDATION AND FINDINGS

- **Board of Vacations recommends approval of the right-of-way vacation (unanimous, 3-0):**
 - 1. The 15-foot easement satisfies the Cuba Township Road Commissioner request to keep an area clear for drainage.**
 - 2. There is no homeowner's association or official public organization that would be able to maintain this area.**
 - 3. The land is serving no public interest as it was designated on the plat for a road.**
 - 4. The vacation would potentially relieve the County of any possible liability and place the property in private ownership on the tax rolls.**
