

Seamus Collins

Vice President, Operations

Northwestern Medicine Lake Forest Hospital

Seamus Collins is Vice President of Operations of Northwestern Medicine Lake Forest Hospital, a state-of-the-art, 114-bed facility that opened in March 2018. He joined the Northwestern Medicine North Region executive team in June 2017 after spending seven years in leadership positions at Northwestern Medicine on the downtown campus. Most recently, Mr. Collins spent three years as the Director of Neuroscience Operations at Northwestern Medical Group where he led ambulatory clinic operations in the specialties of Neurology, Neurosurgery, Psychiatry, and Pain Medicine. Mr. Collins also served as the Administrator of the Ken and Ruth Davee Department of Neurology and the Department of Psychiatry and Behavioral Sciences of the Northwestern University Feinberg School of Medicine. He is a graduate of Bates College and has a Master of Public Health degree in Health Management from Yale School of Public Health, in conjunction with the Yale School of Management.
