

**Christy
Bartolain**

Objective

To give back to the community and share my experience and wisdom to help the area improve.

Work Experience

Developer

03/2012 - Present GTreasury, Lake Zurich, IL

- Coding, testing, and debugging reports and financial management systems using Delphi, Reportbuilder, SQL Reports, asp, asp.NET, C#.NET

Business Development

09/2010 – Present Next Level Enterprises Int'l, Round Lake Beach, IL

- Build and maintain customer relationships

Development Analyst

10/2006 - 09/2010 VerityThree, Inc, McHenry, IL

- Meet with clients to determine their business needs. Design software solutions to help manage their business. Build, test, implement and support those systems using Delphi, the .NET suite, HTML and perl
- Build and manage databases in MySQL, Access, and SQL Server
- Help with network support as necessary

Analyst

6/2001 - 10/2006 SBC Ameritech, Hoffman Estates, IL

- Interim lead for a team of application developers to ensure 24x7 support and maintenance of application as well as ensuring new revenue generating items are incorporated through scheduled releases. Lead was on extended maternity leave for ~1 year.
- Design, develop and maintain various systems using Unix, C, Powerbuilder, HTML, Javascript, ColdFusion, Access/VBA, Visual Basic, COBOL and DB2. Production support of above systems.

Import Specialist

1/2000 - 6/2001 Paterno Imports, Bannockburn, IL

- Tracked ocean shipments from overseas to ensure timely delivery. Consolidated small ocean shipments into containers. Tracked air freight and spoke with customers who were receiving air freight. Acted as liason for suppliers and distributors; gathered and presented pertinent information.
- Redesigned and updated tracking software created in Microsoft Access to streamline data entry, create new reports, and allow me to track shipments more effectively. This gave me the opportunity to learn and experiment with Microsoft Access and VBA (Visual Basic for Applications).

Customer Service Associate

6/1992 - 6/2001 Ace Hardware, Mundelein, IL

- Varied positions during my experience at Ace, including customer service, cashier, sales, ordering, department management and inventory.

Education

7/2009 Microsoft XP Certification (70-270)

6/2000 - 6/2002 DeVry University, Chicago, IL

- Bachelor's Degree - Computer Information Systems.
- Graduated Summa Cum Laude with a 4.0/4.0
- Dean's List multiple semesters.
- Half tuition scholarship throughout my DeVry education.
- Courses include: C++, Visual Basic, Java, COBOL, JCL, VSAM, Systems Analysis, Networking, DB2, Microsoft Access, Unix and business related classes

8/1998 - 6/1999 College Of Lake County, Grayslake, IL

- Associate Degree - Computer Science major.
- Graduated with honors, GPA 4.0/4.0 Phi Theta Kappa. National Dean's List

Skills

C Cobol / Cobol II Coldfusion HTML Javascript Microsoft Access
PowerBuilder Telegence - CSM Tuxedo Unix Visual Basic
Visual Basic .NET Delphi/Pascal ASP.NET Perl MySQL SQL Server, Report
Builder, C#.NET

Affiliations
