Dear Mr. Chairman,

I understand my appointment to the Lake County Community Development Commission is up. I have enjoyed in participating on the commission and feel good work has been done through the members efforts in making Lake County a better place for all.

It would be my pleasure and honor to continue participating on the commission and therefore would respectfully request I be reappointed to serve another term as a member of the Lake County Community Development Commission.

Thank you in advance for your favorable consideration to this request.

Sincerely,

Raymond J. Rose
