

FEMA has re-evaluated and revised the floodplain study and maps. These revised maps shall be adopted prior to September 18, 2013 to maintain eligibility within the National Flood Insurance Program (NFIP). Amendment #1 relates to the revised FEMA study and maps. The revised FEMA maps included a change in the vertical datum. Amendments #2-6 relate to the vertical datum reference throughout the Unified Development Ordinance.

Lake County WDO/UDO Amendments			
Category	UDO Amendment #	UDO Section & Page #	Purpose and description of amendment
