Dear Mr. Buehler:

The Department of Transportation (Department) is planning a Highway Safety Improvement project to improve the traffic signal at the intersection of US 12 @ State Park Road in Lake County.

The Department anticipates letting this project in the spring of 2010 with work to commence sometime in the fall of 2010.

The general scope of work consists of the following:

| LOCATION | WORK |
|-------------------------|---------------|
| US 12 @ State Park Road | Modernization |

The total cost for this project is estimated at \$200,000.00. Federal funds will pay 90%, and the remainder will be split by jurisdiction between the Department of Transportation and Lake County.

The approximate cost to the County should be about \$6,667.00 plus engineering (15%).

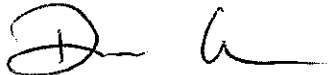

The financial responsibility for maintenance and electrical energy for the operation of the traffic signals shall remain by previous agreement.

Please sign and return this original letter at your earliest convenience if you are in concurrence with the scope of work and cost participation outlined above.
