COMMUNITY DEVELOPMENT

Joint resolution authorizing an intergovernmental agreement for the provision of grant administration and management services for North Chicago Community Development Block Grant (CDBG) funds.

- For the past three years (2014-2017), the City of North Chicago and the United States Department of Housing and Urban Development (HUD) have asked Lake County to provide grant administration and management services for the North Chicago CDBG program.
- All parties desire to continue this arrangement for the next three years, which requires the approval of a second three-year agreement. This agreement will preserve CDBG funding in the approximate amount of \$226,000 annually for North Chicago, for HUD program years 2018 to 2020. Of this amount, Lake County will receive approximately \$45,000 annually for planning, oversight and management on behalf of North Chicago.
- This 2018-2020 agreement includes an automatic renewal provision and has been approved by both the State's Attorney's Office and the Housing & Community Development Commission.
