Subject: [EXTERNAL] Grant Funds

CAUTION: Do not click links, open attachments, or reply to unknown or unexpected senders.

In August, you were awarded 50% of the money requested for your legal aid partnership help desk and then we suggested the agencies apply for the Reducing barriers to Meaningful Court Participation Grant. Due to conflicting timing, we have pushed back that grant process two months. As such, we would like to pay the remaining 50% of the money requested for the legal aid partners to be fully funded for one program year without interruption.

Please complete the attached payment request form by next Friday, Dec. 13 for how to send them the funds of \$3400.
