Dear Mr.Sauer:

As an active resident in the Barrington area I would like to communicate my interest in getting more involved with the Barrington Countryside Fire Protection District (BCFPD) organization. I have been actively involved in local issues which affect the Barrington community for the past 12 years and feel giving back to the community is a privilege.

I have become acutely aware of the current issues facing the BCFPD as it works through the process of its disentanglement with the Barrington Fire Department.

I am seeking a way in which I can leverage my previous experience as a member of the Lake Barrington Zoning Board of Appeals as well as Trustee on the Lake Barrington Board of Trustees, and bring this forward to benefit the community and the BCFPD.

To this end, I understand the Board of Trustees is an organization which has appointed positions and that one of the Board seats may come up for appointment soon. I would very much like to be considered as a candidate for the Board of Trustees and feel my combination of local activism as well as previous experience with the Lake Barrington governmental organizations make me uniquely qualified to participate on the BCFPD Board of Trustees.

Please let me know if we can schedule time to discuss this opportunity, and let me know if you have any questions. I look forward to talking with you soon.

Sincerely,

Paul J. Struck
