

**STORMWATER MANAGEMENT COMMISSION  
MEMORANDUM**

---

**TO:** Lake County Stormwater Management Commission

**FROM:** Jacob Jozefowski, Water Resources Professional

**DATE:** June 06, 2024

**RE:** Stormwater Infrastructure Repair Fund (SIRF)  
Fremont Township – Erhart Road Tile Replacement

---

**ACTION REQUESTED: APPROVAL OF AGREEMENT**

SMC staff recommends approval of the Agreement for the Fremont Township Erhart Road Tile Replacement project. The purpose of this proposed project is to repair and replace a failing drain tile system to mitigate flood impacts to surrounding properties. This proposed project includes the installation of one 24-inch diameter Storm Sewer Structure, one 48-inch diameter catch basin, and approximately 200 linear feet of six-inch storm sewer pipe in the right-of-way of Erhart Road, west of Fremont Center Road. The estimated project cost is \$21,600, with local cost share of \$10,800 and a requested SIRF funding amount of \$10,800. This project previously received Eligibility Authorization at the May 2024 SMC meeting.

Attached is the Agreement for the project. If you have questions about this project, please contact Jacob Jozefowski at 847-377-7702 or [jjozefowski@lakecountyil.gov](mailto:jjozefowski@lakecountyil.gov).
