Appointed in 2007 to serve as Trustee for the Lake Bluff Mosquito Abatement District Board by Susan Loving Gravenhorst, District 13 Lake County Board Member. Have been a member of this Board since then with my present term expiring in December 2012. Have been reappointed in 2013 to continue in this same position, and look forward to making contributions as I can.

My family – husband Kenneth A Wright, Jr, daughter Sally (Sarah Elizabeth) and son Andy (Kenneth A Wright III)— and I moved to Lake Bluff to our present address above on April 1, 1963, and I have lived here for 50 years.

Ken worked for Meredith Publishing in Chicago (Better Homes & Gardens magazine) as an advertising Sales Rep and then for the BH&G Special Interest Publications as Midwest Sales Manager until retirement after 38 years in the mid 1990's. I was a University of Minnesota Journalism School graduate and met Ken in Des Moines, IA when I joined the Home editorial office for Better Homes & Gardens to write for the magazine and edit their first BH&G Barbeque Book.

Ken, deceased as of March 19, 2011, and I lived and raised our children in this community as active members in the local schools, volunteer organizations, charities, Lake Bluff activities, and participated in organizations to guide our elected officials. We were both active in our childrens' sports programs and interests in Lake Bluff Schools and Lake Forest High School—tennis, baseball, hockey and HS girls softball, and belonged to the Lake Bluff Bath & Tennis Club for many years enjoying tennis competitions for all 4 of us—and hockey for Andy, skating for Sally.

It has always been important to be involved and active in helping and participating to make our various local and area organizations succeed.

I look forward to continuing as a Trustee for the LB Mosquito Abatement District and continuing to help guide our responsible program here— of which I am very proud!

Carolyn D. Wright April 13, 2012
