Lynette Foss of Lake Bluff, representing Knollwood Neighbors

Erin Cartwright Weinstein, Circuit Court Clerk

Clyde McLemore of Zion, representing Black Lives Matter- Lake County

Julie Simpson of Vernon Hills

David Enzenbacher of Antioch

Maria Peterson of North Barrington

CHAIRMAN'S REMARKS

Carol Calabresa – August 14 Lake County Board Meeting

As Vice-Chair of the County Board, I am serving as acting chair during Chairman Lawlor's leave of absence, per our Board Rules.

As many of you have read in the media, Chairman Lawlor is on a leave of absence for

treatment for drug addiction at the Hazelden-Betty Ford Foundation.

Addiction is a chronic, relapsing brain disease—a recorded disorder treated with a combination of medicine, counseling and family support, just like cancer, diabetes or heart disease.

This Board has consistently demonstrated its leadership in the areas of addiction and mental/behavioral health. We are the only local government in the region to dedicate 100% of Video Gaming Revenue for addiction and mental health services. This illustrates our commitment to support all Lake County residents experiencing this chronic disease.

In one of my first actions as Acting-Chair, I directed staff to review our policies and procedures regarding P-card transactions and report the findings and any recommendations to the County Board by the end of September. The State's Attorney released in a statement that an independent, third-party organization is conducting a complete investigation. Based on OUR attorney's advice, we should not discuss these details as not to compromise the investigation.

I'm confident that during this time, this Board will continue to work together with professionalism and respect and deliver on our mission to serve the public and provide exceptional services.

HEALTH AND COMMUNITY SERVICES COMMITTEE

38 18-0065

Board of Health Report.

Zion Health Center Public Open House

On Friday, August 17, the Health Department will host an open house event at the new Zion Health Center, located at 1911 27th Street, Zion. The event will take place from 3:00-7:00 p.m. The family friendly event will include tours of the newly renovated facility, activities for children, light refreshments, giveaways, information on Health Department programs and services, and the opportunity to schedule appointments including school physicals and immunizations. For appointments at the Zion Health Center, residents can call the Patient Access Center at (847) 377-8800.

West Nile virus on the rise in Lake County

The Health Department monitors and tests mosquito populations for West Nile virus, in coordination with Clarke (a mosquito control company) and the Lake County Forest Preserve District. As of July 27, 18 mosquito pools (or batches) and two birds have tested positive for West Nile virus in Lake County, tracking ahead of the seasonal average in Lake County. The population of nuisance mosquito species has also been higher than average. There have been no confirmed human West Nile virus cases in Lake County. However, summer and fall are prime times for West Nile virus depending on the weather.

Most people infected with West Nile virus have no symptoms of illness. However, some may become ill usually three to 15 days after the bite of an infected mosquito. If you start to feel achy, nauseated, have a fever, swollen lymph glands or a rash after being bitten by a mosquito, see your primary care provider. Learn how to protect yourself and your family from West Nile virus on the Health Department's website, www.FightTheBiteNow.com, or call the West Nile hotline at (847) 377-8300.

Cyclospora food-borne illness outbreak

Since May, the Health Department has investigated 43 cases of Cyclospora infection among Lake County residents. This is more than 14 times higher than the number of cases reported in 2017. Cyclospora infection may occur when a person consumes food or water contaminated with the Cyclospora parasite. Symptoms typically begin one to two weeks after exposure and can be treated with specific antibiotics. If left untreated, symptoms can last weeks to months. Common symptoms of Cyclospora infection include watery diarrhea, stomach cramps, nausea, vomiting, fatigue, loss of appetite, weight loss, muscle aches, and low-grade fever. Those experiencing symptoms are encouraged to seek testing from a health care provider. More information is available on the Health Department website.

Low-Cost Pet Vaccination and Microchip Clinic September 8

The Lake County Health Department's Animal Care and Control will hold a low-cost pet vaccination and microchip clinic on September 8, 9 a.m. to noon at the Village of Grayslake Building, located at 10 South Seymour Avenue, Grayslake. The clinic is open to all Lake County residents. Pets are taken on a first-come, first-served basis. Only cash is accepted at the time of service. All animals must be at least 4 months old. Dogs must be leashed and cats placed in carriers. For additional information, including prices and a list of all upcoming clinic dates and locations, visit the Animal Care and Control webpage or call (847) 377-4700.

Rx for Health: Walking in Nature

The 2018 Rx for Health: Walking in Nature season continues. The simple act of walking, especially in nature, can improve one's overall health, both physically and mentally. The next two walks are scheduled for: Saturday, August 25 at McDonald Woods (19611 W. Grass Lake Road, Lindenhurst). Meet in the parking lot off Grass Lake Road. Saturday, September 15 at Captain Daniel Wright Woods (24830 St. Mary's Road, Mettawa). Meet in the main parking lot off St. Mary's Road. All walks are from 4:00-5:30 p.m. and range in length from 1 to 2 miles. Everyone can walk at their own pace and distance. Walks are guided by a NorthShore physician, a Lake County Forest Preserve naturalist, and staff from the Lake County Health Department and Community Health Center. The walks are open to all ages, but those 16 and younger must be accompanied by an adult. These are rain or shine events. With the exception of service animals, pets are not allowed. Learn more and find the full Rx for Health schedule at livewell.lakecounty.org/rxforhealth.

August is National Immunization Awareness Month

Vaccines are a safe and effective way to prevent serious and sometimes deadly diseases. Immunization gives parents the safe, proven power to protect their children from 14 serious and potentially deadly diseases before age 2. Immunizations are not only for children. Every year, thousands of adults in the U.S. become needlessly ill from infectious diseases. Many adults are hospitalized and some even die from diseases that could be prevented by vaccines. Talk with your health care professional about which vaccines are right for you based on your age, health, job, lifestyle and other factors. To find a vaccine provider near you, visit vaccinefinder.org.

39 18-0872

Lake County Partners Report.

RECENT BUSINESS OPENINGS & EXPANSIONS

Depomed Locates Company Headquarters in Lake Forest

Newark, California-based pharmaceutical company, Depomed, is relocating the company headquarters to the Landmark Conway Farms complex in Lake Forest, which also houses Abbott Nutrition and Horizon Pharma. The new headquarters will house approximately 70 employees, many of whom will be new local hires. Arthur Higgins, the company's president and CEO, noted that the Lake County location supports Depomed's strategy to become more entrepreneurial, puts the company in close proximity to a growing number of specialty pharmaceutical companies and provides access to the talent needed to take the business to the next level.

Valent Biosciences Cut the Ribbon at Innovation Park in Libertyville

Valent Biosciences has opened the doors of its new global research facility at Innovation Park in Libertyville, boasting of 65,000 sq. ft. of open-concept lab and a state-of-the-art

20,000 sq. ft. greenhouse. The move will allow the company to streamline team collaboration in a way that brings solutions to agriculture, public health and forest health professionals around the world.

Heathrow Scientific and Daiger Break Ground in Lincolnshire

Medical companies Heathrow Scientific and Daiger recently broke ground in the Village of Lincolnshire for a new 186,000 sq. ft. corporate headquarters to house 55 employees. The development is on a 10-acre lot to accommodate the development of a third company and future growth. (Please note: Though this is great news, we do want to be sensitive as this represents a move from Vernon Hills.)

RECENT BUSINESS RECOGNITION

Horizon Pharma Applauded by People Magazine

Horizon Pharma, in Lake Forest, was recently recognized by People Magazine on their list of the "50 Companies that Care." This is a phenomenal honor, as it distinguishes the pharmaceutical company among the best in the nation in terms of the care that they show for their community, their employees and the world.

Crain's Chicago Business Recognizes 2 Lake County Companies

Crain's Chicago Business recently recognized Bannockburn's RevenueWell and Lincolnshire's Zebra Technologies on their "Fast 50" List—a list that represents the Chicago area's fastest growing businesses. RevenueWell, a patient communications software provider, was placed in the top 10, after the company expanded to add an additional 28 employees last year to meet demand. Zebra Technologies, a printing technologies manufacturer and provider, was awarded with the honor for experiencing 273.6% growth over the past 5 years.

Klein Tools Represents Lake County at the White House

Klein Tools, a sixth-generation, family-owned Lincolnshire company recently brought its innovative U.S.-made products to the White House as part of its "Made in America Product Showcase." In recent years, Klein Tools has invested over \$200 million in U.S. manufacturing facilities to support high-quality American-made products.

Governor Rauner Tours Cristo Rey in Waukegan

Governor Rauner recently visited Lake County to tour the impressive new Cristo Rey St. Martin College Prep in a former K-Mart building in Waukegan. Cristo Rey operates a unique model where students go to school four days per week and work in a local company one day per week. This not only subsidizes their tuition, but it also gives them four years of valuable internship experience.

BUSINESS ATTRACTION EFFORTS RAMP UP

Lake County Partners is working to drive economic development success further by working closer than ever before with stakeholders, including the state of Illinois. Building on the collaboration achieved through a jobs mission to Germany and Poland earlier this year, Lake County Partners attended the Select USA conference in Washington D.C. to represent Illinois and Lake County. During the conference, staff met with over 20 companies to promote Lake County as a premier location for business.
