III. County Board and Committee Meetings of all Public Bodies

Meetings of the County Board bring together individuals with a variety of backgrounds, personalities, values, and opinions for a shared purpose: To effectively promote and protect the health, safety and general welfare for all who call Lake County home and for the long- term common good.

County Board meetings are intended to make decisions that formally set County programs in motion, enact ordinances, adopt policy, and authorize the expenditure of County funds.

A. County Board and Committee Standards of Decorum and Conduct

The Lake County protocols and procedures for meetings have been established to promote that purpose by creating an efficient, effective forum and a positive and professional atmosphere within which the business of the County can be conducted. This shared purpose is acknowledged and affirmed, despite the possible divergent opinions of the individual Members of the Board. Civil discourse is only fostered if it is modeled by how County Board Members and staff behave toward one another and toward Members of the public.

1. Chair:

The Chair has the responsibility and authority to manage the order of the meeting. All Members must respect the decisions of the Chair, who will respectfully manage public comment.

Full attention should be given to speaker/presenters and side conversations should be kept to a minimum, or not held at all. The Board Members should always be mindful that facial expressions and body language can be just as disrespectful as words. An important part of the democratic process is to model behavior that welcomes the public and provides them with an environment where they are heard.

7. Use of Electronic Technology during Meetings:

Electronic technology devices should be used by Board Members and staff judiciously and only for purposes related to the meeting at hand. The use of such devices for personal/family/work situations is understood and should be handled in a manner which is not disruptive to the conduct of business.

APPENDIX E – PARLIAMENTARY REFERENCES

Parliamentary Procedure is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion. Parliamentary Procedure is important because it's a time-tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert's Rules of Order newly revised is the basic handbook of operation for most clubs, organizations and other groups.

The method used by Members to express themselves is in the form of moving motions. A motion is a proposal that the entire membership take action or a stand on an issue. Individual Members can make motions, second motions, debate motions and vote on motions:

I. The Four Basic Types of Motions

- A. Main Motions: The purpose of a main motion is to introduce items to the membership for their consideration. They cannot be made when any other motion is on the floor, and yield to privileged, subsidiary, and incidental motions.
- B. Subsidiary Motions: Their purpose is to change or affect how a main motion is handled and is voted on before a main motion.
- C. Privileged Motions: Their purpose is to bring up items that are urgent about special or important matters unrelated to pending business.
- D. Incidental Motions: Their purpose is to provide a means of questioning procedure concerning other motions and must be considered before the other motion.

II. Presenting of Motions

- A. To Obtain the floor.
 - 1. Wait until the last speaker has finished and raise your hand and wait to be recognized by the Chair.
 - 2. If multiple Members wish to speak, the Chair will make a list and call on Members individually to address the Board.
- B. Make Your Motion
 - 1. Speak in a clear and concise manner.
 - 2. Always state a motion affirmatively. Say, "I move that we ..." rather than, "I move that we do not ..."
 - 3. Focus on your subject matter and avoid comments of a personal nature.
- C. Another Member will second the motion or the Chair will call for a second.
- D. If there is no second to the motion, it is lost.

APPENDIX E – PARLIMENTARY REFERENCES (CONT.)

- E. The Chair states the motion placing the motion before the membership for consideration and action (i.e.: "It has been moved and seconded that we ...")
 - 1. The membership then either debates the motion or may move directly to a vote.
 - 2. Once the motion is presented to the membership by the Chair, it becomes "assembly property" and cannot be changed by the original mover without the consent of the Members.

- F. Expanding on the motion
 - 1. The time for to speak in favor of the motion is at this point in time, rather than at the time it is originally presented.
 - 2. The mover is allowed to speak first.
 - 3. All comments and debate must be directed to the Chair.
 - 4. Keep to the time limit for speaking that has been established.
 - 5. The mover may speak again only after other speakers are finished, unless called upon by the Chair.

- G. Putting the Question to the Membership
 - 1. The Chair asks, "Is there any more discussion? Or, "Are you ready to vote on the question?"
 - 2. If there is no more discussion, a vote is taken.

III. Roll Call Votes

- A. Any Member may ask for a roll call vote on any agenda item.
- B. The Board may, by unanimous consent, group together two or more ordinances and resolutions for the purpose of taking a single vote. During the vote, a Board Member may vote "aye" or "nay" (55 ILC 5/2-1005).
- C. The Authorization of Previous Roll Call Vote with respect to any pending question, the Board, by unanimous consent, may authorize the Clerk to record the previous roll call vote taken at the same meeting as the roll call vote taken on the pending question when the previous roll call was unanimous. In such event, the Clerk shall record the ayes or nays from the previous roll call as the vote on such pending question with like effect as if such roll call had been taken on such pending question.

In addition, by unanimous consent, the Board may, when authorizing a previous roll call vote (1) authorize a Board Member who was absent when the previous roll call vote was taken to vote on the pending question without requiring a new roll call vote, (2) exclude the vote of a Board Member who is absent when leave for the previous roll call vote is requested on the pending question, and (3) authorize a Board Member who voted "aye" on the previous roll call vote to vote "nay" on the pending question and (4) authorize a Board Member who voted on the previous roll call to abstain on the pending question.

APPENDIX E – PARLIMENTARY REFERENCES (CONT.)

- D. In the event a Member believes that they has a conflict of interest on any matter before the Board requiring a vote, the Member shall (prior to any discussion of the issue) indicate to the board that a conflict exists, state the reason for the conflict and inform the board that they will be abstaining from any discussion and vote on the matter. In matters not involving a conflict of interest, they may abstain without stating the reason.

IV. **Electronic Voting**

When members are authorized to attend a Board or committee meeting electronically, the Chair may use electronic voting tools to support a voice vote. Electronic voting will not be used for or to support a roll call vote.

V. **Board Actions Requiring Roll Call or Super Majority Votes**

- A. Emergency appropriations shall be referred to the appropriate standing committee and to the Financial and Administrative Committee by the County Administrator, which committees jointly shall make a report on the same. Emergency appropriations shall require a roll call vote of two-thirds (14) of the Members of the County Board. (55 ILCS 5/6-1003).
- B. All resolutions requesting approval for street vacations shall require a roll call vote of two-thirds (14) of the County Board (55 ILCS 5/5-1036).
- C. The vote on all propositions to appropriate money from the County Treasury shall be taken by roll call vote “aye,” “nay” and “present” and entered on the record of the meeting (55 ILCS 5/2-1006).
- D. The Consent Agenda shall be taken by roll call vote.
- E. The rules of the County Board may be suspended by motion for a particular purpose by a roll call vote of two-thirds of the Board Members present.
- F. A rezoning shall not be granted except by the aye vote of 3/4 (16) of all County Board Members in the event of a legal objection (as determined by the State’s Attorney) to the proposed rezoning. Any vote other than the majority or 3/4 (16) aye vote specified above shall operate as County Board denial of the proposed rezoning. (55 ILCS 5/5-12014).

VI. **Motions to Reconsider**

If a motion to reconsider is made, it must be made at the same meeting as the original vote. A motion to reconsider must be made by a Member who voted on the prevailing side. A motion to reconsider must be seconded and approved by a majority of the Members present. The vote on the matter to be reconsidered shall be taken only at the next regular succeeding meeting. No motion may be twice reconsidered.

SUPPLEMENT A – POLICY GUIDANCE – SUBJECT TO BOARD CHAIR DISCRETION: SELECTION OF APPOINTED OFFICIALS

The Lake County Board appoints 280 people to over 60 boards, commissions and local units of government – over 20 of which have authority to levy property taxes, including:

- 8 drainage districts
- 3 sanitary districts
- 11 fire protection districts
- Numerous entities focusing on a wide-range of subject matters

The attached spreadsheet is a working document that identifies the Board and commission appointments. Please review and advise if you have questions and/or concerns with the information therein.

Most importantly, the spreadsheet shows the percentage of constituents from each county board district that comprises each appointed unit of local government. The percentages are now based on the overlap in population instead of the overlap in landmass that was previously used.

The purpose is to enhance Board Members' ability to oversee the appointments to boards that have a direct impact on their neighbors and communities. Additionally, this increases accountability for appointments that have a countywide reach by improving the process by which Board Members give input on appointments.

In order to accomplish this, a new reporting structure will be communicated to the appointees. The County Board Chair is the statutory appointing authority and, accordingly, appointees will continue to report to the County Board Chair. However, they will now report to the Chair through the local Board Member or pertinent Committee Chair as noted on the spreadsheet. This will not only increase accountability for appointees, but it also is likely to expose Members, and particularly Committee Chairs, to new issues and subject areas as well as the management of a 280-member volunteer group.

A new internal process will be implemented for advancing appointments and reappointments for Board consideration.

1. County Board Office staff will notify the local Board Member or pertinent Committee Chair at least two months prior to the expiration of an appointee's term so that the Member can either approve a reappointment or begin looking for a replacement.
2. The Board Member with the highest percentage of constituents within the appointed district will lead the process for appointments and reappointments and will seek the input of other Members who represent the districts.
3. If an appointee's term is expired for more than two months, the County Board Chair reserves the right to place an appointment of the Chair's choosing on the County Board agenda.

**SUPPLEMENT A – POLICY GUIDANCE – SUBJECT TO BOARD CHAIR
DISCRETION: SELECTION OF APPOINTED OFFICIALS (CONT.)**

4. All appointed units of local government that have authority to levy property taxes are required by ordinance to submit annual financial reports to Lake County government. No appointments will be made for units that have not submitted its annual financial report.
5. County Board Office staff will provide Members with an updated copy of the spreadsheet periodically and Members can receive a copy upon request.
6. Congratulatory and thank you notes will continue to be processed promptly to ensure proper recognition is given to the appointees.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY BOARD OF LAKE COUNTY, ILLINOIS, AS FOLLOWS:

LAKE COUNTY ETHICS & CONDUCT CODE Cont.

ETHICS & CONDUCT CODE

Purpose

The Illinois General Assembly enacted the State Officials and Employees Ethics Act (Public Act 93- 615, effective November 19, 2003, as amended by Public Act 93-617, effective December 9, 2003), which is a comprehensive revision of State statutes regulating ethical conduct, political activities and the solicitation and acceptance of gifts by State officials and employees.

The Act requires all units of local government to adopt ordinances or resolutions regulating the political activities of, and the solicitation and acceptance of gifts by, the officers and employees of such units "in a manner no less restrictive" than the provisions of the Act.

The clear intention of the Act requires units of local government to implement regulations that are at least as restrictive as those contained in the Act, and to impose penalties for violations of those regulations that are equivalent to those imposed by the Act, notwithstanding that such penalties may exceed the general authority granted to units of local government to penalize ordinance violations.

The clear intention of the Act provides units of local government with all authority necessary to implement its requirements on the local level regardless of any general limitations on the power to define and punish ordinance violations that might otherwise be applicable.

Furthermore, it is the goal of the county board and its chair to provide equitable, efficient, effective, and honest government. These goals thereby create and enhance an environment where county officials and employees can administer county services with integrity and objectivity. The purpose of this ordinance is to provide a framework for the ethical and legal standards that county officers and employees must follow while conducting county business.

This code includes a section related to the conduct of County Board Members. The purpose of this section of the code related to conduct is to ensure that all county business is conducted in a manner that reflects the character and values of the people of Lake County and the expectations of external parties with whom the county interacts. In adopting this section of the code, the Lake County Board aims to maintain the sound business practices and regard for the public interest already in place among county officials and employees, while allowing the county to continue to enjoy the confidence of the public and external parties.

The term "Ethics Ordinance", as referred to in other County Codes and Ordinances, intends to refer to Sections I & II of this Code.
