Bradley Road Subdivision POA – Phase 1 Stormwater Improvements
Letter of Support

Dear Mr. Jozefowski:

The Bradley Road Subdivision Property Owners Association (POA) has been in contact with the Libertyville Township Road District regarding storm sewer improvements on Ballard Drive to address flooding issues at 28557 Ballard Drive. The Road District supports the efforts of the POA to reduce flooding in the subdivision and will issue a permit for the work within the Ballard Drive right-of-way upon receipt of final engineering plans that meet the conditions for work within the Township right-of-way.

Please let me know if you have any questions.

Thank you,

Martin J. Neal
Libertyville Township Highway Commissioner
