Title

Joint resolution authorizing the renewal of the State's Attorney's Multi-Jurisdictional Drug Prosecution grant (agreement #809123) awarded by the Illinois Criminal Justice Information Authority, including \$204,858 in federal ARRA 2009 JAG funds and covering the time period October 1, 2010 through September 30, 2011.

Staff Summary

- This is a renewal of the Multi-Jurisdictional Drug Prosecution federal grant administered through the Illinois Criminal Justice Information Authority. Funding for this grant began in 1988 and has been renewed each year.
- Program goals have changed from previous years to include the Recovery Act-based goal of preserving jobs; the other goal is to improve the quality of multijurisdictional prosecutions of drug offenders
- This year's grant is comprised of ARRA 2009 JAG funds, with no match required; the federal JAG Multijurisdictional Drug Prosecution Unit grant had, in previous years, required a 25% match.
- The federal funds will provide funding for 80% of the salaries of two Assistant State's Attorneys and one investigator dedicated to the prosecution of drug-related offenses.
- Though a match is not required, the State's Attorney's Office will contribute \$30,000 from its Asset Forfeiture Fund as done in previous years for this grant, in order to reduce the County's contribution to the non-grant funded portion of the salaries and benefits for the two Assistant State's Attorneys and one investigator that are already budgeted in the 2010 State's Attorneys regular budget.
