Subject: Property Conveyor

Here is a breakdown of the cost associated with the replacement of the property conveyor. I have all ready told Jeremiah that we can move forward I just need an approval for the money (inmate welfare) as I do not believe my authority extends to the fiduciary element of this project.

\$110,600.00	For the wreck and haul of the old system, installation of the new product.
\$2395.00	For the Electrical work that needs to be done for the new product.
\$7548.17	For the Temporary storage we will be using in the gym while the work is being done.
<u>\$120,543.17</u>	Total

We may be able to reduce the cost based on the amount of time we need the temp. storage racks.

Sgt. John O'Connor
