RE: Grayslake Fire Protection District Board of Trustee Reappointment

Dear Mr Chairman:

I am writing you to inform you of my desire to remain as a Trustee on the Grayslake Fire Protection District Board. I have been serving on the board since June 1999. I believe my record of attendance at all Board meetings speaks for itself, along with the numerous training sessions/conferences I have attended. I also do well in representing the residents of Wildwood, the part of the district in which I live.

The accomplishments of the District, that I am proud to be a part of in the past fifteen years, (above and beyond the running of the district), are; the construction of stations 2 and 3, improvements to station 1, a balanced budget, and the appointment of the current fire chief. The list I believe is endless; we have a record like no other.

If you require additional information, please do not hesitate to contact me or Fire Chief John Christian
████████████████████

Looking forward to serving another three year term and beyond.

I remain,

Ellen Dimock
Trustee

Cc: Ms Sandra Hart, County Board 13th District
Fire Chief John Christian, Grayslake Fire Protection District

CURRENT EXPERIENCE

- 1999-Present Grayslake Fire Protection District, Trustee
Board position – Treasurer
- 1999-Present Grayslake Fire Protection District Pension
Board position - Treasurer

I have been a resident of Wildwood for 25 plus years, I have raised my children here. I have been a Stay-At-Home-Mom for all of my married life and am now retired; my children are in college now. I have been with the District since 1999 when appointed by the Lake County Board under the direction of Sandy Cole. I have received numerous hours of continuing education/training at various levels per Illinois State statutes.
