RECENT WORK EXPERIENCE

Realtor Broker

Baird & Warner, Libertyville (Century 21 Kreuser & Seiler)
2012 - Present

I work as a strategic partner with my clients. I listen to them, focus on meeting their needs, and advocate on their behalf to help them achieve their goals.

Working with Sellers

Research and analyze market data to determine a fair market value, provide a pricing strategy, calculate estimated costs, advise on curb appeal and other elements of the home to enhance marketability, list the home, implement marketing strategies, and manage the process from offer to closing.

Working with Buyers

Assist clients in determining what they need to do to be ready to purchase a home, educate them on the process, help them find the right home, provide a market and value analysis in preparing an offer, guide and advocate on their behalf from negotiating the terms of the purchase through the home inspection, appraisal, and to the closing table.

Lake County Board of Review, Alternate

2020 - Present

Alternate members of the Board hear testimony and/or review evidence submitted in written and in person appeals for real estate parcels that are claimed to be over-assessed or under-assessed. Our responsibility is to review the assessment and either deem it to be just or correct it as necessary.
