TERMS; GOVERNMENTAL LENDER NOTE

Section 2.1. Terms.

(a) Principal Amount. The total principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount.

(b) Draw-Down Funding. The Funding Loan is originated on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Funding Lender directly to the Borrower for the account of the Governmental Lender as and when needed to make each advance in accordance with the disbursement provisions of the Borrower Loan Agreement and the Construction Funding Agreement. Upon each advance of principal under the Borrower Loan Agreement and the Construction Funding Agreement, a like amount of the Funding Loan shall be deemed concurrently and simultaneously advanced under this Funding Loan Agreement, including the initial advance of \$[] on the Closing Date. Borrower Loan advances and Funding Loan advances shall be allocated first to the Series A Borrower Note and the Series A Governmental Lender Note and, once the foregoing Notes have been fully funded, then to the Series B Borrower Note and the Series B Governmental Lender Note. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after [, 2020]; provided, however, that upon the delivery of a Bond Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender such date may be changed to a later date as specified in such Bond Counsel No Adverse Effect Opinion without further action by the Government Lender or the Funding Lender. The Governmental Lender has reviewed and approved the form of Contingency Draw-Down Agreement and consents to the terms thereof and agrees to take all actions reasonably required of the Governmental Lender in connection with the conversion of the Funding Loan to a fully drawn loan pursuant to the provisions of the Contingency Draw-Down Agreement in the event a Draw-Down Notice is filed by the Funding Lender or the Borrower.

(c) Origination Date; Maturity. The Funding Loan shall be originated on the Closing Date and shall mature on the Maturity Date at which time the entire principal amount, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) Principal. The outstanding principal amount of the Governmental Lender Notes and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to or for the account of the Governmental Lender to fund corresponding advances with respect to the related Borrower Notes under the Borrower Loan Agreement and the Construction Funding Agreement as proceeds of the Borrower Loan, less any payments of principal of the Governmental Lender Note previously received upon payment of corresponding principal amounts under the related Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of each Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Funding Lender shall keep a record of all principal advances and principal repayments made under each Governmental Lender Note and shall upon written request provide the Governmental Lender with a statement of the outstanding principal balance of the Governmental Lender Notes and the Funding Loan.

(e) Interest. Interest shall be paid on the outstanding principal amount of each Governmental Lender Note at the rate or rates set forth in the related Borrower Note and otherwise as set forth in the Borrower Loan Agreement.

(f) Corresponding Payments. The payment or prepayment of principal, interest and premium, if any, due on each Governmental Lender Note shall be identical with and shall be made on the same dates, terms and conditions, as the principal, interest, premiums, late payment fees and other amounts due on the related Borrower Note. Each Governmental Lender Note shall be payable from payments on the related Borrower Note. Any payment or prepayment made by the Borrower of principal, interest, premium, if any, due on a Borrower Note shall be deemed to be like payments or prepayments of principal, interest and premium, if any, due on the related Governmental Lender Note.

(g) Usury. The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Notes and all agreements made in the Governmental Lender Notes, this Funding Loan Agreement and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Notes, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

Section 2.2. Form of Governmental Lender Notes. As evidence of its obligation to repay the Funding Loan, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lender, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Notes. The Governmental Lender Notes shall be substantially in the respective forms set forth in Exhibit A and Exhibit B attached hereto, with such appropriate

insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement.

In connection with Conversion, the Funding Lender shall have the right to exchange the then existing Series A Governmental Lender Note on or after the Conversion Date for a new Series A Governmental Lender Note with a dated date of the Conversion Date and in a stated principal amount equal to the then outstanding principal amount of the Series A Governmental Lender Note, which amount will equal the Permanent Period Amount of the Borrower Loan.

Section 2.3. Execution and Delivery of Governmental Lender Notes. The Governmental Lender Notes shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of the Chairman or Vice Chairman of the County Board and attested by the manual or facsimile signature of the County Clerk of the Governmental Lender under the official seal, or a facsimile of the official seal, of The County of Lake, Illinois. As provided in the Local Government Bond Validity Act of the State of Illinois, 50 ILCS 440/1, the manual or facsimile signatures of individuals who were the proper officers of the Governmental Lender at the time of execution shall bind the Governmental Lender, notwithstanding that such individuals or any of them shall have ceased to hold such offices after the authentication and delivery of the Governmental Lender Notes and before they are issued.

Section 2.4. Required Transferee Representations; Participations; Sale and Assignment.

(a) The Funding Lender shall deliver to the Governmental Lender the Required Transferee Representations in substantially the form attached hereto as Exhibit C on the Closing Date.

(b) The Funding Lender shall have the right to sell (i) the Governmental Lender Notes and the Funding Loan or (ii) any portion of or a participation interest in the Governmental Lender Notes and the Funding Loan, to the extent permitted by Section 2.4(c) below, provided that such sale shall be only to Approved Transferees that execute and deliver to the Funding Lender, with a copy to the Governmental Lender, the Required Transferee Representations.

(c) Notwithstanding the other provisions of this Section 2.4, no beneficial ownership interest in the Governmental Lender Notes and Funding Loan shall be sold in an amount that is less than the Minimum Beneficial Ownership Amount.

(d) No service charge shall be made for any sale or assignment of any portion of the Governmental Lender Notes, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such sale or assignment. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

(e) The Governmental Lender Notes, or any interest therein, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Funding Lender for such purpose and which shall be open to

inspection by the Governmental Lender. The Governmental Lender Notes shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

(f) The parties agree that no rating shall be sought from a rating agency with respect to the Funding Loan or the Governmental Lender Notes.

(a) Each Governmental Lender Note shall be subject to voluntary prepayment in full or in part by the Governmental Lender, from funds of the Governmental Lender received by the Governmental Lender to the extent and in the manner and on any date that the related Borrower Note is subject to voluntary prepayment as set forth therein, at a prepayment price equal to the principal balance of the Borrower Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium payable under the Borrower Note, plus any Additional Borrower Payments due and payable under the Borrower Loan Agreement through the date of prepayment.

The Borrower shall not have the right to voluntarily prepay all or any portion of a Borrower Note, thereby causing the related Governmental Lender Note to be prepaid, except as specifically permitted in the Borrower Note, without the prior written consent of Funding Lender, which may be withheld in Funding Lender's sole and absolute discretion.

(b) Each Governmental Lender Note shall be subject to mandatory prepayment in whole or in part upon prepayment of the related Borrower Note at the direction of the Funding Lender in accordance with the terms of the related Borrower Note at a prepayment price equal to the outstanding principal balance of the related Borrower Note prepaid, plus accrued interest plus any other amounts payable under the related Borrower Note or the Borrower Loan Agreement.

Section 3.2. Notice of Prepayment. Notice of prepayment of a Governmental Lender Note shall be deemed given to the extent that notice of prepayment of the related Borrower Note is timely and properly given to Funding Lender in accordance with the terms of the related Borrower Note and the Borrower Loan Agreement, and no separate notice of prepayment of the Governmental Lender Note is required to be given.

ARTICLE IV

No holder of the Governmental Lender Notes may compel the exercise of the taxing power of the Governmental Lender to pay the principal of or interest due on the Governmental Lender Notes.

Section 5.2. Exempt from Individual Liability. The Governmental Lender shall not be under any obligation under the Borrower Loan Documents or the Funding Loan Documents to perform any administrative service with respect to the Governmental Lender Notes or the Project (including, without limitation, record keeping and legal services), it being understood that such services shall be performed or provided by the Funding Lender or the Borrower. (b) The Governmental Lender (i) is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not constitute a default under or a violation of, (a) the Act or (b) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it or the provisions of any agreements and instruments to which the Governmental Lender is a party, which default under or violation would prevent it from entering into the Funding Loan Agreement, executing and delivering the Governmental Lender Notes, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions contemplated thereby, and (ii) to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental Lender is making no representations as to the necessity of registering the Borrower Notes pursuant to any securities laws or complying with any other requirements of securities laws).

(c) To the knowledge of the Governmental Lender, no litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title to his or her office of any officer of the Governmental Lender who executed such Funding Loan Documents, or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but all are in full force and effect.

To the knowledge of the Governmental Lender, that allocation remains in effect and will be in effect on the Closing Date.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. No Encumbrance on Security. (b) The Governmental Lender will promptly notify or cause to be notified the Borrower, the Servicer, if any, and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that an Authorized Governmental Lender Representative has received written notice or otherwise has knowledge of such event.

Section 8.6. Maintenance of Records; Inspection of Records.

(a) The Funding Lender shall keep and maintain adequate records pertaining to any funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Governmental Lender Notes and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Governmental Lender and its representatives at all reasonable times and upon reasonable prior notice.

(b) Not take or cause to be taken any other action or actions, or fail to take any action or actions, which would cause the interest payable on the Governmental Lender Notes to be includable in gross income for federal income tax purposes;

(c) At all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Governmental Lender Notes will be excluded from the gross income of the owners of the Governmental Lender Notes for federal income tax purposes pursuant to Section 103 of the Code, except in the event where any holder of the Governmental Lender Notes or a portion thereof is a "substantial user" of the facilities financed with the Governmental Lender Notes or a "related person" within the meaning of Section 147(a) of the Code;

(d) Not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Funding Loan to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(e) Require the Borrower to agree, pursuant to the terms and provisions of the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan, or any other moneys which may be deemed to be proceeds of the Funding Loan pursuant to the Code, which would cause the Funding Loan to be an “arbitrage bond” within the meaning of Sections 103(b) and 148 the Code, and to comply with the requirements of the Code throughout the term of the Funding Loan; and

(f) Require the Borrower to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full.

For purposes of this Section 8.7 the Governmental Lender’s compliance shall be based solely on matters within the Governmental Lender’s control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Bond Counsel No Adverse Effect Opinion or other appropriate opinion of Bond Counsel.

Section 8.8. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an “Event of Default”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or Governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Notes when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Notes when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender's satisfaction, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other "Default" or "Event of Default" under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Notes and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Notes shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Governmental Lender Notes, (2) the principal of and Prepayment Premium on the Governmental Lender Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Governmental Lender Notes, (3) to the extent that payment of

such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Governmental Lender Notes, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) All Events of Default, other than the non-payment of the principal of the Governmental Lender Notes which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Notes or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Governmental Lender Notes, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Servicer and the Rebate Analyst;

(b) Second: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Notes, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(c) Third: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Notes may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Notes or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be

restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Notes. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Notes, whether or not the Governmental Lender Notes has been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

ARTICLE X

AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Notes may be amended or waived only by an instrument signed by the Funding Lender and the Governmental Lender, provided, however, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower shall be made without the consent of the Borrower, and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower

consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender.

Section 10.2. Amendments Require Funding Lender Consent. The Governmental Lender shall not consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and (ii) the Funding Lender shall have received, at the expense of the Borrower, a Bond Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

Any such notice, demand, request or communication shall be deemed to have been given and received for all purposes under this Funding Loan Agreement: (i) three Business Days after the same is deposited in any official depository or receptacle of the United States Postal Service first class, or, if applicable, certified mail, return receipt requested, postage prepaid; (ii) on the date of transmission when delivered by telecopier or facsimile transmission, telex, telegraph or other telecommunication device, provided any telecopy or other electronic transmission received by any party after 4:00 p.m., Central Time, as evidenced by the time shown on such transmission, shall be deemed to have been received the following Business Day; (iii) on the next Business Day after the same is deposited with a nationally recognized overnight delivery service that guarantees overnight delivery; and (iv) on the date of actual delivery to such party by any other means; provided, however, if the day such notice, demand, request or communication shall be deemed to have been given and received as aforesaid is not a Business Day, such notice, demand, request or communication shall be deemed to have been given and received on the next Business Day. Any facsimile signature by a Person on a document, notice, demand, request or communication required or permitted by this Funding Loan Agreement shall constitute a legal, valid and binding execution thereof by such Person.

Any party to this Funding Loan Agreement may change such party's address for the purpose of notice, demands, requests and communications required or permitted under this Funding Loan Agreement by providing written notice of such change of address to all of the parties by Written Notice as provided herein.

Section 11.2. Term of Funding Loan Agreement. This Funding Loan Agreement shall be in full force and effect until all payment obligations of the Governmental Lender hereunder have been paid in full and the Funding Loan has been retired or the payment thereof has been provided for; except that on and after payment in full of the Governmental Lender Notes and any amounts owed to the Governmental Lender pursuant to its Unassigned Rights, this Funding Loan Agreement shall be terminated, without further action by the parties hereto.

Section 11.3. Successors and Assigns. All covenants and agreements in this Funding Loan Agreement by the Governmental Lender shall bind its successors and assigns, whether so expressed or not.

Section 11.4. Legal Holidays. In any case in which the date of payment of any amount due hereunder or the date on which any other act is to be performed pursuant to this Funding Loan Agreement shall be a day that is not a Business Day, then payment of such amount or such act need not be made on such date but may be made on the next succeeding Business Day, and such later payment or such act shall have the same force and effect as if made on the date of payment or the date fixed for prepayment or the date fixed for such act, and no additional interest shall accrue for the period after such date and prior to the date of payment.

Section 11.5. Governing Law. This Funding Loan Agreement shall be governed by and shall be enforceable in accordance with the internal laws, but not the conflict of laws rules, of the State.

Section 11.6. Severability. If any provision of this Funding Loan Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired; provided, however, that no such invalidity, illegality or unenforceability shall require the Governmental Lender to make any payments from revenues other than the proceeds derived from the sale of the Governmental Lender Notes issued under this Funding Loan Agreement and the proceeds derived from the Borrower Loan Agreement (except such proceeds as may be derived by the Governmental Lender pursuant to its Unassigned Rights, as defined in the Borrower Loan Agreement) or impose any personal liability on any past, present or future director, member, elected or appointed officer, official, employee, attorney or agent of the Governmental Lender. In case any covenant, stipulation, obligation or agreement contained in the Governmental Lender Notes or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

Section 11.7. Execution in Several Counterparts. This Funding Loan Agreement may be contemporaneously executed in several counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

Section 11.8. Nonrecourse Obligation of the Borrower. Except as otherwise provided in the Borrower Loan Agreement, any obligations of the Borrower under this Funding Loan Agreement are without recourse to the Borrower or to the Borrower's partners or members, as the case may be, and the provisions of Section 11.1 of the Borrower Loan Agreement are by this reference incorporated herein.

Section 11.9. Waiver of Trial by Jury. To the maximum extent permitted under applicable law, each of Borrower and the Beneficiary Parties (a) covenants and agrees not to elect a trial by jury with respect to any issue arising out of this Funding Loan Agreement or the relationship between the parties that is triable of right by a jury and (b) waives any right to trial by jury with respect to such issue to the extent that any such right exists now or in the future.

This waiver of right to trial by jury is separately given by each party, knowingly and voluntarily with the benefit of competent legal counsel.

Section 11.10. Electronic Transactions. The transactions described in this Funding Loan Agreement may be conducted, and related documents and may be stored, by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 11.11. Reference Date. This Funding Loan Agreement is dated for reference purposes only as of the first day of [_____, 2017].

Reference is made to the Borrower Loan Agreement and to the Series A Borrower Note for complete payment and prepayment terms of the Series A Borrower Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan Agreement. None of the Governmental Lender, the State, or any political subdivision thereof (except the Governmental Lender, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on this Governmental Lender Note or the Funding Loan or for the performance of any pledge, obligation or agreement of any kind whatsoever with respect thereto except as set forth herein and in the Funding Loan Agreement, and none of the Funding Loan or this Governmental Lender Note or any of the Governmental Lender’s agreements or obligations with respect to the Funding Loan or this Governmental Lender Note shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

This Governmental Lender Note is issued under the authority of the Industrial Building Revenue Bond Act, 50 ILCS 45/1 *et seq.*, as amended, and does not evidence a debt of the Obligor or a loan or credit extended to it within the meaning of any constitutional or statutory provision.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan Agreement at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and the Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, the Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity.

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. Any portion of this Governmental Lender Note remaining outstanding upon such an acceleration of this Governmental Lender note shall be deemed paid upon transfer, to or at the direction of the Funding lender, of the Borrower Loan Documents and all security therefor free and clear of the lien of the Funding Loan Agreement. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

The Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement.

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of the

Obligor to pay the entire sum then due, and Governmental Lender's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of the Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note or caused this Governmental Lender Note to be duly executed and delivered by its authorized representative as of the date first set forth above. The undersigned intends that this instrument shall be deemed to be signed and delivered as a sealed instrument.
