Dear Ms. Philipp:

I am writing with information concerning your Victims of Crime Act (VOCA) grant. At the May 25, 2017 Budget Committee meeting, staff recommended an increase in your current designation for your VOCA funded program agreement # 215936. This increase, will be made from the FFY15 VOCA award of \$96,177 with a match of \$24,044. This will allow your currently funded VOCA program to continue until December 31, 2017, when another Notice of Funding Opportunity (NOFO) will be made available for Law Enforcement/Prosecution based Victim Assistance programs.

Your new period of performance will be October 1, 2016 – December 31, 2017, and your increased designation will be \$96,177 with a required match of \$24,044. I have attached the documentation necessary for the Budget Revision as well as your current approved budget. Please use the attached documents to submit your proposed funding for the continuation of this program. Please note that no New budget items may be added to the budget revision. This increase is only for the extension of the current program.

If you have any questions concerning this designation, please feel free to call me at 312-793-8404 or email me at [malea.conro@illinois.gov](mailto:malea.conro@illinois.gov). I look forward to working with you on the continuation of this program.

Sincerely
