WHEREAS, the COUNTY and the VILLAGES are each authorized by the terms and provisions of the Illinois Intergovernmental Cooperation Act (5 ILCS 220/5) to enter into intergovernmental agreements, ventures, and undertakings to perform jointly any governmental purpose or undertaking any of them could do singularly except where specifically or expressly prohibited by law; and

- A. Provide one (1) deputy and (1) squad car per shift to provide police services exclusively within the limits of the VILLAGES for service coverage of twenty-four (24) hours seven (7) days per week, every day of the year, during the term of the Agreement. Each deputy provides eight and one-half (8.5) man hours per shift and three shifts will be provided daily. The additional one-half (0.5) man hour per shift provides an overlap of services to facilitate shift changes thereby resulting in twenty-five and one-half (25.5) man hours of service provided in a twenty-four (24) day.
- B. Police services include, at minimum, routine patrols, enforcement of state statutes, police dispatch services, as well as COUNTY and VILLAGE ordinances, and attendance upon nuisance complaints, but do not include calls concerning animals unless the SHERIFF's deputy on duty believes

that an animal poses a danger to the public health or safety such as a rabid animal.

- C. Bill the VILLAGES on a monthly basis for the cost of providing police service, as set forth in Section 1 of this Agreement.
- D. Establish and maintain a records system for processing data relative to the incident of arrests, reports of crime, response time and disposition of cases which shall be reported to the VILLAGES on a monthly basis. It is understood that any report provided by the SHERIFF to the VILLAGES is considered CONFIDENTIAL and cannot be released without the written approval of the SHERIFF or his designee to the extent allowed by law.
- E. Respond to emergency law enforcement calls for assistance originating within the corporate limits of the VILLAGES, where persons or property may be subject to danger or immediate harm. Unless an unforeseen circumstance exists, including but not limited to weather and emergency situations, deputies assigned to the VILLAGES shall respond to all 9-1-1 or emergency calls for law enforcement assistance. If the deputy determines that he or she will need additional assistance in order to respond to a call for assistance, efforts will be made to contact other law enforcement agencies as the deputy deems appropriate, per the SHERIFF'S standard operating procedures. The Villages do not have a separate ETSB and as such Calls for Assistance originating in the Villages will be received by LakeComm. Emergency calls for law enforcement will be immediately

Except when unavailable due to a bona fide emergency, deputies shall attend all required court hearings or administrative adjudication hearings to prosecute offenses for which citations are issued during the execution of this Agreement; such attendance shall not affect the coverage to be provided pursuant to Section 1.A of this Agreement. If applicable, all fines and forfeitures resulting from offenses within the VILLAGES that do not occur during performance of this Agreement or are not prosecuted by the VILLAGES shall be paid to the COUNTY.
- I. Provide the State's Attorney's Office with legible copies of the following records: police reports; traffic citations; crash reports; police reports for

Hereinafter, the "applicable State's Attorney's Office" and the "Village Prosecutor" shall be referred to respectively as the "prosecuting agency." The records will be sent to the respective prosecuting agency as soon as they have been completed and/or received by the SHERIFF. If the prosecuting agency has not received the records within seven (7) days prior to the court date, then the prosecuting agency will send a follow-up request to the SHERIFF's records division and an attempt will be made to expedite the transfer of the records to the prosecuting agency. This provision only applies to records of the SHERIFF that were issued, created, or secured as the direct result of the SHERIFF's contractual services under this Agreement. The parties hereto understand and agree that generally, the Lake County State's Attorney's Office will prosecute Illinois Vehicle Code traffic offenses and other statutory charges occurring within Lake County; the Village Prosecutor engaged by the VILLAGE for that purpose will prosecute ordinance violations.

- R. To the extent not addressed by the express terms of this Agreement, the SHERIFF shall make final and conclusive determinations in the event of a dispute or disagreement between the VILLAGES and the SHERIFF, after consultation with the VILLAGES, as to the extent of law enforcement duties and functions, the standards of performance, and level or manner of performance of SHERIFF's personnel pertaining to the operation of this Agreement, provided the same are consistent with customary and good law enforcement management, policies and practices.
