1. INTENT

Lake County intends to purchase a Photovoltaic Array to power the Regional Operations and Communications (ROC) Facility on the west side of Lake County's Libertyville Campus. The 910 kW DC system will provide enough power to allow the ROC to achieve Net Zero Energy Use performance. The awarded contractor will provide a turn key complete and operational photovoltaic array. This scope of services will include delegated design, permitting, licensing, certification, material, installation, interconnection, and project management as further identified within these design documents and specifications. PV output and monitoring controls will be required to integrate to Lake County's enterprise Building Automation System as identified within the project specifications. The design documents contain requirements for domestically produced steel to be utilized on this project. Bidders are advised that land development permits associated with the ROC primary structure have been pulled by the owner in advance of this solicitation, however, PV Array specific construction permits (including foundation design and compliance with the Libertyville Plan Commission requirements (SEE EXHIBIT B – Libertyville Architectural Review Committee Submittals) will be required of this bidder.) Additionally, this design has been developed by Wold AE in parallel with several other site improvements including: building construction and radio tower construction. While all contractors have been given a scope of services that provides independence to complete their contract, communication and coordination with the other contractors will be essential in dealing with site logistics and sequencing. The awarded contractor shall comply with substantial completion and delivery of the solar array no later than September 31st, 2024; and this solicitation contains liquidated damages provisions as identified within this document.

Bidder shall note that funding for this project has been derived from numerous sources including: bonds, grants, awards, and cost sharing agreements. Bidder shall work closely with Lake County to provide invoices, receipts, certified payrolls, labor hour classifications, and all backup as required to allow for compliance with designated funding sources. Lake County reserves the right to issue multiple PO's to the bidder up to a grand total of the bid award amount in order to streamline reporting and tracking requirements. Contractor shall provide complete record documents to the County in a non-proprietary electronic format as part of the project closeout.

Such obligation shall not be construed to negate, abridge or otherwise reduce any other right to indemnity which the County would otherwise have. The Bidder shall similarly protect, indemnify, and hold and save harmless, the County and its officers, employees, elected officials, executives and agents from any and all claims, costs, causes, actions and expenses, including, but not limited to legal fees (attorney's and paralegal's fees, expert fees and court costs) incurred by reason of the Bidder's breach of any of its obligations under, or bidder's default of any provisions of the Agreement. Please refer to the FOIA statute, 5 ILCS 140/1 et seq., and specifically Section 7 therein, for explanation of information that may be redacted. For example, information exempt from disclosure in response to a FOIA request includes but is not limited to: highly personal or objectionable information; trade secrets and commercial or financial information claimed as proprietary, privileged or confidential, the disclosure of which would cause your business competitive harm; valuable formulae, computer geographic systems, designs, drawings and research data when disclosure of the same would produce private gain or public loss; certain construction related technical documents; and information associated with automated data processing operations that, if disclosed, would jeopardize system or data security.

If no redacted copy is provided, the Lake County Purchasing Division reserves the right to determine what information should be redacted as proprietary, privileged, or confidential in response to a FOIA request. A bidder who fails to provide a redacted copy of its proposal waives its right to maintain any claims against Lake County, its agents, or employees for disclosure of this information.

14. ASSIGNMENT

Any Agreement entered into as a result of this bid shall not be assigned, delegated, or modified without the express written consent of both parties. The Agreement supersedes all other agreements, oral or written, between the parties with respect to the subject matter of the Agreement.

If Lake County agrees that the bidder may assign, delegate, or subcontract the work under the Agreement, bidder shall remain contractually liable to Lake County unless otherwise agreed in writing.

15. ADDENDA

Any and all changes to the specifications and terms and conditions of this Bid are valid only if they are included by addendum issued by Lake County Purchasing. Bidders shall acknowledge addenda by signing the enclosed Addendum Acknowledgement form. Failure of any bidder to receive any such addendum or interpretation shall not relieve the bidder from obligation under this bid as submitted. All addenda as issued shall become part of the bid documents. It is

the vendor's responsibility to check for addendums, posted on the website at <http://lakecountypurchasingportal.com> prior to the submittal due date. No notification will be sent when addendums are posted unless there is an addendum issued within three business days of the submittal due date.

Should the bidder require additional information about this bid, please submit questions on our website at <http://lakecountypurchasingportal.com> by selecting the bid number and addendum link. Questions may also be submitted via email to purchasing@lakecountyil.gov. All questions shall be submitted no less than seven (7) days prior to the bid opening date. No interpretation of the meaning of the plans, specifications or other contract documents will be made orally. Failure to request an interpretation constitutes a waiver to later claim that ambiguities or misunderstandings caused a bidder to improperly submit a bid.

17. NON-ENFORCEMENT BY THE COUNTY

The Contractor shall not be excused from complying with any of the requirements of the Contract because of any failure on the part of the County, on any one or more occasions, to insist on the Contractor's performance or to seek the Contractor's compliance with any one or more of said terms or conditions.

18. CHANGE IN STATUS

The Contractor shall notify Lake County immediately of any change in its status resulting from any of the following: (a) Contractor is acquired by another party; (b) Contractor becomes insolvent; (c) Contractor, voluntary or by operation law, becomes subject to the provisions of any chapter of the Bankruptcy Act; (d) Contractor ceases to conduct its operations in normal course of business. Lake County shall have the option to terminate its contract with the Contractor immediately on written notice based on any such change in status.

19. REPORTING REQUIREMENTS

All awarded Contractors will identify and report the type of ownership— L/W/MBE, and/or not L/W/MBE for any work that they or their approved subcontractors will perform. In addition, Lake County requests that all awarded Contractors provide an accounting of employees assigned throughout the term of the contract in regards to their home address and ethnicity. Lake County may use any data collected to report on potential of businesses and workers benefitting from County contracts.

Lake County launched a **Buy Local. Build Local. Work Local.** initiative in 2013 to increase the outreach and procurement opportunities for businesses located within Lake County, including women-owned businesses and minority-owned business enterprises (L/W/MBE). The overarching objective is to maximize participation from these businesses in the County's procurement process, in accordance with applicable law. The County will take all necessary and reasonable steps to assure that business enterprises defined as L/W/MBE shall have a fair opportunity to participate in County contracts. As part of its Economic Opportunity Program (EOP) commitment the County will make every effort to achieve the following objectives:

- (a) To ensure nondiscrimination in the award and administration of contracts;
- (b) To create a level playing field on which L/W/MBEs can compete fairly for contracts by providing any necessary training and assistance in bid preparation;
- (c) To ensure that the County's EOP is narrowly tailored in accordance with applicable law;
- (d) To establish a means for firms identifying themselves as L/W/MBEs to register for procurement opportunities and work cooperatively with contracted firms to report on measures that demonstrates the County's commitment to its EOP; and,
- (e) To help remove barriers to the participation of L/W/MBEs through notification of contract opportunities.

Successful proposers are encouraged to work with Workforce Development to post any and all opportunities for employment on County contracts. Lake County's Workforce Development mission is to foster and ensure the economic prosperity of the Lake County community by maximizing the potential of businesses and workers. As such, Workforce Development provides a key resource for job seekers and employers.

State law mandates an open and competitive bidding process and requires that publicly procured contracts be awarded to the lowest responsible and responsive bidder with no demonstrated preference based on the bidder's location, race and gender.

20. DEBARMENT AND SUSPENSION WITH LAKE COUNTY

The Lake County Purchasing Ordinance § 33.125 through 33.126 defines the County's Authority and Decision to Debar.
