STORMWATER MANAGEMENT COMMISSION

### **Lake County Stormwater Management Commission**

500 W Winchester Road

Suite 201

Libertyville, IL 60048

Phone 847-377-7700

# **Knollwood Community Drainage Improvements Public Meeting, April 23 in Lake Bluff**

We hope you will join the Lake County Stormwater Management Commission and its consultants for a presentation overview of current and potential drainage improvements within the Knollwood Community.

Residents and property owners are encouraged to help identify local drainage issues. Your input will help us develop a drainage improvement concept plan. Multiple public meetings will be held to review and refine the final concept plan.
