Resolution authorizing an emergency appropriation in the amount of \$32,000 for services in Special Service Area Number 17 (SSA #17), Ivanhoe Estates.

- Special Service Area #17 was established to fund the repair, reconstruction and maintenance of private streets within the Ivanhoe Estates residential community.
- The amount budgeted in the fiscal year (FY) 2025 budget was \$14,160 for expenses, an amount equal to the levied property tax revenue for FY2025. However, repairs approved by the residential community require additional funding in the amount of \$32,000.

- These carryover requests include contracts which were unable to be completed in FY 2025 and uncompleted or ongoing projects that will not be complete until FY 2026.
- These items must be authorized through what is termed an “emergency appropriation” in order to transfer the budget authority that was previously granted in FY 2025 to FY 2026. The detailed accounts are included in the attachment.
