43	Watershed projects staff field tour		Kurt	Project Managers	Annual summer project bus tour, staff project presentations and appreciation lunch.
44	Workday Financial and HCM management system		Christine	Dijana	Workday ERP configuration and implementation for HCM and Finance. Go live December 2026.

ADMINISTRATION: KURT, JEFF

**Stormwater Management Commission
Work Program 2026-2027**

		SMC 2027 DRAFT Annual Work Program	Date: May 2026	Staffing [20 full-time, 1 part-time]		Notes and Comments
				Primary	Support	
45	PUBLIC INFORMATION	Citizen Inquiry Response System (CIRS)		Michelle	Jeff	Migrate existing system to INFLOW, new feature enhancement. Consolidate legacy data.
46		CRS support for PBD		Sharon	All Staff	Reporting on SMC CRS-related activity.
47		DCEO project book update		Communications	Sharene	Update all projects and elected officials, as applicable (~May 2027).
48		Digital Accessibility & ADA Compliance Guide		Communications	Ashley	SMC website ADA accessibility update, must have CivicPlus account.
49		INFLOW centralized digital framework		Michelle	Jeff	Consolidate/enhance stormwater data. Reference SMC Plan Goal #6 and 55 ILCS 5/5-1062(a)(1) .
50		INFLOW annual training webinar		Michelle	Jeff	Uniform intake and administrative efficiencies, requires geo-spatial user data (polygon).
51		HOA Annual Workshop (February)/Flood Proofing Workshop		Sharene	Anna	Need for CSR and MS4 Requirements. Staff support as needed.
52		MS4 geospatial compliance map		Anna	Ernesto	Digitize storm sewer data and community updates. Consolidate data, secured access.
53		Master Naturalist Program Education Support		All Staff	Ashley	SMC partner with Lake County University of Illinois Extension site with MN training program once a year to give presentation and possible tour (at CPF). MN would also participate at SMC HOA workshops.
54		Press releases, advisories, and graphic design coordination		Communications	Anna	Includes flood response public information.
55		Website and public information coordination of the SMC programs		Communications	All Staff	Front office FOIA and OMA postings updated annually.
56	REGULATORY: BRIAN, KELCEY	Army Corps regulatory services enhancement		Brian	Juli	Maintain effective partnership with Chicago District Regulatory Branch.
57		Certified Wetland Specialist (CWS) program		Juli	Bill	3 person review team: Juli, Bill, Glenn. Drafting CWS-IT program and recertification through Energov.
58		Community Notification Procedure and Community Assistance Visits		Brian	Tim	As notified by FEMA/NFIP/IDNR, post-communication to local jurisdictions.
59		Community contact list updates		Kelcey	Dijana	Migrate to cloud-based application. Contacts are managed by each department. EO/CWS List.
60		Consultant/Contractor permit review coordination		Brian	Kelcey	Consultant assistance as determined by Chief Engineer.
61		Designated Erosion Control Inspector (DECI) Program		Mea	Tim	Daily requests, test administration, 2 workshops per year: 101-level and Advanced.
62		Energov financial invoice payment processing		Dijana	Christine	Tyler Payments software replacing BridgePay.
63		Energov system configuration, upgrades and training		Other	Kelcey	HTML5 support only.
64		Floodplain Studies, LOMR, Best Available, Draft Hydrology & Hydraulics (H&H)		Brian	Matthew	TAC update of 2004 Policies and Procedures: Bulletin 75 rainfall, rain-on-grid hydrology, other.
65		Inter-agency regulatory coordination		Brian	Kelcey	Federal: FEMA, USACE; State: IDNR, IEPA, IDOT; County: Lake, McHenry, MWRD, SWCD.
66		Jaime Phase 3 Mitigation		Glenn	Brian	Regulatory compliance. Annual maintenance (~\$15K).
67		Online examination oversight (CWS, EO, DECI)		Mea	Kelcey	Classmarker website.
68		Regulatory inspections, Watershed Development Ordinance (WDO) enforcement		Mea, Tim	Kelcey, Brian	Includes USACE "bump-up" review and inspection shared services.
69		Regulatory guidance memoranda, documents, checklists for countywide WDO		Brian	Kelcey	TAC-approved documents presented to SMC.
70		Regulatory website documents ADA compliance		Bill	Kelcey	New deadline 2027.
71		Regulatory permit, base flood elevation determinations, erosion/sediment control		Kelcey	Phil	Consultant assistance as determined by Chief Engineer. Matthew/Sharon support as needed.
72		Regulatory reports to SMC		Kelcey	Brian	Monthly turn-around times, inspection compliance, wetland restoration fund balances.
73		Technical Advisory Committee (TAC) meetings and agenda		Kelcey	Brian	Update members with expiring terms, annual appreciation breakfast, open to public.
74		Technical and regulatory assistance to Enforcement Officers		Brian	Kelcey	Includes Lake County communities and local officials.
75		Technical workshops		Brian	Kelcey	Co-sponsor with regional partners. Advanced Hydric Soils Class. BMP Field Day (2027). Wet Pro.
76		USACE Interagency Coordination Agreement (ICA)		Tim	Mea	Quarterly updates to be sent to Corps Project Managers, cc Executive Director.
77	WDO conformance reviews in Certified Communities		Brian	Kelcey	Chief Engineer recommendations to the Certified Community.	
78	WDO interpretations, support, updates		Brian	Kelcey	Determine appropriate jurisdiction and coordinate/defer to Enforcement Officer.	
79	Wetland preliminary jurisdictional determinations (PJD), Boundary Verifications (BV)		Juli	Bill	Review procedures/policies/forms.	
80	WDO Fees Schedule Annual Review		Brian	Kelcey	Fees schedule last updated 2016.	
81	Wetland Restoration Fund (WRF) program		Bill	Juli	Explore potential in-lieu fee option for State. Watershed impact fees review in 2027.	

**Stormwater Management Commission
Work Program 2026-2027**

	SMC 2027 DRAFT Annual Work Program	Staffing [20 full-time, 1 part-time]		Notes and Comments
		Primary	Support	
82	All Natural Hazards Plan Committee Annual Meeting and Plan Update	Sharon	Anna	LCEMA/PB&D support. 5-year plan update in 2027. Separate annual meeting in November.
83	Comprehensive Stormwater Management Plan Update	Mike	Ashley	Consultant presentation to SMC 2026, adoption 2027.
84	De-icing Workshop and calibration events	Ashley	Anna	Multi-county entity coordination and planning efforts (multiple virtual, 2 In-person calibration event).
85	Des Plaines River Watershed Workgroup (DRWW)	Anna	Ashley	SMC receives \$25,000 from DRWW for services.
86	Fox River Chain O'Lakes Watershed-Based Plan Assistance	Jacob	Mike	Assist local communities and Fox Waterway Agency.
87	Grant search, funding notification, establishment and procurement	Mike	Sharon, Ashley	Notify County Finance, as applicable.
