11. County Administrator's Report

No report.

Report on the need to expand licensing and applications within the County's Oracle environment.

Gary Gordon presented. Oracle was originally implemented in 2003. There is a need to purchase modules and licensing. Total cost is \$7 million. However, Gary was able to negotiate and bundle the purchase bringing the price down to \$1.2 million. The county will finance \$1.2 million over three years at an interest rate of 1.5%. The county has until February 29, 2012 to commit to the proposal. The 2012 budget includes \$700,000 for this project. The remainder will be from unallocated and repurposed CCIP.
