NARRATIVE STATEMENT

The Lake County ETSB was granted authority to operate an E911 system in docket 93-0071.

The purpose of this petition is to request a modification of the original E911 application and modification docket # 05-0579. The Lake County ETSB has agreed to enter into an Intergovernmental Agreement for Deerfield to Dispatch for Riverwoods.

An Intergovernmental Agreement has been reached between the County of Lake with its ETSB and the Village of Deerfield with its ETSB, along with the Village of Riverwoods. A copy of said Agreement is attached as Exhibit A.

This agreement is possible since the Village of Riverwoods now operates its own police department and has entered into an intergovernmental agreement with the Village of Deerfield for Police and Fire Dispatch for the Village of Riverwoods. The Village of Riverwoods is serviced by the Riverwoods Police Department, The Lincolnshire/Riverwoods Fire Protection District and the Deerfield/Bannockburn Fire Protection District. Fire and rescue 9-1-1 calls received for the aforementioned fire protection districts are dispatched by RED Center.

Although Riverwoods will continue to be part of the LCETSB, its land-line police emergencies will be dispatched by the adjacent agency, the Deerfield PSAP and fire and rescue emergencies will be transferred by the Deerfield PSAP to the RED Center for dispatch. A Call Handling Agreement between the Village of Riverwoods and the adjacent Deerfield PSAP has already been approved by both entities.

Even after ICC approval of the plan modification and, pursuant to Illinois statute, the Lake County ETSB will continue to collect the \$.75 surcharge for the Village of Riverwoods residents. A separate, cost-sharing, intergovernmental agreement has been negotiated between Lake County/Lake County Emergency Telephone System Board and the Village of Deerfield/Deerfield Emergency Telephone System Board and the Village of Riverwoods. See Exhibit A.

**INTERGOVERNMENTAL AGREEMENT
FOR VILLAGE OF RIVERWOODS CALL ROUTING
AND SURCHARGE REIMBURSEMENT**

THIS AGREEMENT ("Agreement") is entered into by and between the COUNTY OF LAKE, a body politic and corporate, hereinafter referred to as the "COUNTY," the VILLAGE OF DEERFIELD, an Illinois home rule municipality, hereinafter referred to as "DEERFIELD," and the VILLAGE OF RIVERWOODS, an Illinois home rule municipality, hereinafter referred to as "RIVERWOODS" as of this ____ day of _____, 2013.

RECITALS

A. The COUNTY owns the Lake County Emergency Telephone System Board (the "LCETSB"), an agency of the COUNTY, and operates a county-wide 9-1-1 Emergency Call Taking and Dispatching System pursuant to the statutes of the State of Illinois (50 ILCS 750/0.01, et seq.); and

B. RIVERWOODS is a member of the LCETSB pursuant to statutory referendum (50 ILCS 750/0.01, et seq.).

C. DEERFIELD has formed its own Emergency Telephone System Board (the "DEERFIELD BANNOCKBURN ETSEB") and has its own public safety answering point (the "DEERFIELD PSAP"), and is not a member of the LCETSB.

D. Prior to forming its own police department, RIVERWOODS relied on the Lake County Sheriff's Office for police protection and the Lake County Sheriff's Office Public Service Answering Point (the "Lake County PSAP") to receive 9-1-1 calls dispatch emergency services.

E. COUNTY, RIVERWOODS and the Village of Lincolnshire, an Illinois home rule municipal corporation ("Lincolnshire"), entered into a certain "Lake County/Village of Lincolnshire/Village of Riverwoods Intergovernmental Agreement for Call Routing and Surcharge Reimbursement" (the "Contract") in 2005 to provide for the Lincolnshire PSAP to provide 9-1-1 call handling and dispatch services, and the COUNTY, RIVERWOODS and Lincolnshire agreed in said contract for all land line calls received within RIVERWOODS to be routed to the Lincolnshire PSAP, for certain modifications to the 9-1-1 ESN Routing Plan and for LCETSB to reimburse Lincolnshire a proportionate share of the surcharge funds attributable to 9-1-1 land line calls from within RIVERWOODS territory up to a maximum of twenty-five thousand dollars (\$25,000.00) per calendar year to facilitate Lincolnshire PSAP's handling calls and dispatching services for 9-1-1 land line emergency calls emanating from telephone land lines within the RIVERWOODS territory.

F. Lincolnshire has notified RIVERWOODS that it intends to terminate such call handling and dispatch services for 9-1-1 land lines calls within the territory of RIVERWOODS, and RIVERWOODS and DEERFIELD have reached an agreement, subject to approval by the ICC and the approval of this Agreement, for the DEERFIELD PSAP to provide call handling and dispatch services for all 9-1-1 calls within the territory of RIVERWOODS, including 9-1-1 landline calls, upon turnover of the RIVERWOODS call handling and dispatch services from Lincolnshire to DEERFIELD.

G. The LCETSB will continue to collect all surcharge funds arising from all land line facilities providing service to the territory within RIVERWOODS, as well as the rest of the LCETSB's service area, pursuant to 50 ILCS 750/15.3.

H. COUNTY agrees that all surcharge funds previously transferred from LCETSB to Lincolnshire on behalf of RIVERWOODS shall, as provided in this Agreement, be transferred to DEERFIELD on behalf of RIVERWOODS upon the termination of the Contract and joint notice from DEERFIELD and RIVERWOODS that all call handling and dispatch services for all 9-1-1 calls within the territory of RIVERWOODS has been turned over to the DEERFIELD PSAP.

I. Pursuant to Section 10 of Article VII of the Illinois Constitution of 1970, the provisions of the Illinois Intergovernmental Cooperation Act (5 ILCS 221.1 et, seq.), DEERFIELD's home rule powers, and other applicable authority, COUNTY, DEERFIELD and RIVERWOODS are authorized to enter into this Agreement; and

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements hereinafter set forth, COUNTY, DEERFIELD and RIVERWOODS hereby agree as follows:

SECTION 1: Recitals. The above and foregoing recitals, being true, correct and material to this Agreement, are hereby incorporated and made a part of this Agreement as if full set forth herein.

SECTION 2: Riverwoods Call Handling and Dispatch Services. Subject to approval by the ICC, all calls received from within RIVERWOODS will be routed to the DEERFIELD PSAP. The DEERFIELD PSAP will provide call handling service for all 9-1-1 calls within the territory of RIVERWOODS. The LCETSB and the DEERFIELD BANNOCKBURN ETSB will cooperate in submitting 9-1-1 ESN Routing Plan Modifications (the "Plan Modifications") to the ICC to affect such re-routing of calls and shall provide for such testing to ensure an orderly turnover of call handling responsibility to the DEERFIELD PSAP.

SECTION 3: Surcharge Funds Collection. The LCETSB will continue to collect all surcharge funds arising from all land line telephone facilities providing service to the territory within RIVERWOODS as well as the rest of the LCETSB's service area pursuant to 50 ILCS 750/15.3.

SECTION 4: Surcharge Reimbursement. The LCETSB will pay to DEERFIELD BANNOCKBURN ETSB a proportionate share of the surcharge funds attributable to 9-1-1 land line calls from within RIVERWOODS territory, up to a maximum of twenty-five thousand dollars (\$25,000.00) per calendar year, to facilitate DEERFIELD PSAP's handling (taking calls and dispatching services) the 9-1-1 land line emergency calls emanating from telephone land lines within the RIVERWOODS territory. The payment of said funds will not occur unless and until LCETSB receives the surcharge funds from the telecommunications carriers who are charged by Illinois statute with collecting and dispersing said surcharge funds. If payment to LCETSB is late and/or decreased, LCETSB's obligation to DEERFIELD shall be delayed and/or reduced to the same extent, but such obligation shall be reinstated to the extent that the telecommunications carriers make up any prior underpayment.

SECTION 5: Use of Surcharge Funds. Surcharge funds transferred from LCETSB to DEERFIELD on behalf of RIVERWOODS may only be used for approved expenses as listed in Section 750/15.4 of the Illinois Emergency Telephone System Act (50 ILCS 750/15.4). Further, any of these aforementioned funds used to compensate call taking, emergency services dispatchers must also comply with guidelines articulated in two Illinois Attorney General Opinions directed to this issue (1998 Ill. Atty. Gen. Op. 024 and 1998 Ill. Atty. Gen. Op. 009). These standards shall apply until and unless subsequent case law, public Illinois Attorney General opinions or legislative enactments revise or alter such standards.

SECTION 6: Deerfield Records. DEERFIELD will retain all financial records related to the receipt of LCETSB surcharge funds and subsequent expenditure for at least three (3) years after each payment and, upon request, will make available for inspection and copying by a duly authorized agent of LCETSB, wage records, equipment invoices, expenditure detail and any other relevant notes or documents as will allow LCETSB to verify continued compliance with Section 5 of this Agreement. The COUNTY will have the absolute right to terminate this Agreement for cause upon thirty (30) days written notice to the other Parties. After giving written notice advising of the COUNTY's disapproval of any particular expenditure of funds, all parties will attempt, in good faith, to reconcile any disagreements within thirty (30) days. During such time as the disputed use of funds has not been resolved DEERFIELD will cease making expenditures for the purposes to which the COUNTY has objected. If there is no reconciliation within thirty (30) days the decision of the COUNTY is final.

SECTION 7: Quarterly Payments by LCETSB. Said payment for call handling services will be paid to DEERFIELD BANNOCKBURN ETSB quarterly and within sixty (60) days of the end of each quarter after LCETSB receives the funds from the telecommunications carriers. The quarterly payment periods will coincide with the LCETSB fiscal year quarters. To ensure the accuracy of calculations for the line-count based payments, LCETSB will request annual, exact line-count reports from the telecommunications carriers. These annual reports will form the basis for the quarterly payments for the relevant fiscal year. If there is a charge to LCETSB for the annual line

count reports, said costs will be borne by RIVERWOODS and may be deducted from the quarterly payments, or otherwise invoiced to and paid by RIVERWOODS.

SECTION 8: Indemnification. RIVERWOODS and DEERFIELD agree to defend themselves in any actions brought against them in connection with or as the result of this Agreement and agree to defend, indemnify and hold the COUNTY harmless and free from liability of any kind whatsoever resulting from the acts or conduct of RIVERWOODS or DEERFIELD or those of their agents or representatives or employees in the performance of this Agreement or in the furtherance thereof.

SECTION 9: Effective Date. This Agreement shall be effective on the date on which all of the Parties shall have signed this Agreement (the "Effective Date"), provided that the Parties shall not be required to perform hereunder unless and until (i) the Plan Modifications are approved by the ICC, and (ii) COUNTY has received written notice from DEERFIELD and RIVERWOODS that 9-1-1 calls have been re-routed and call-handling responsibility for such call has been turned over to the DEERFIELD PSAP.

SECTION 10: Consideration. The redirection of the LCETSB surcharge funds to DEERFIELD on behalf of RIVERWOODS will comprise the complete and total financial benefit to RIVERWOODS as a member of the LCETSB.

SECTION 11: Notices. All notices required to be sent by the respective parties to this Agreement shall be given as follows:
