

Lake County Illinois

*Lake County Courthouse and Administrative Complex
18 N. County Street
Waukegan, IL 60085-4351*

Meeting Minutes - Final

Tuesday, July 8, 2025

9:00 AM

**Board Room, 10th Floor or register for remote attendance at:
<https://bit.ly/40lyMsu>**

Lake County Board

PUBLIC ATTENDANCE:

The public can attend Lake County Committee and Board meetings in one of two ways:

- (1) In-person attendance is on the 10th Floor of the County Administrative Tower, 18 N. County Street, Waukegan, Illinois.
- (2) Remote attendance through an electronic conferencing application (register via the link on the front page of the agenda).

PUBLIC VIEWING: This meeting will be recorded and live-streamed at <http://lakecounty.tv/> and on Comcast Channel 18 or 30 and AT&T Channel 99.

RECORDING: Meetings, to include Public Comment, will be recorded.

PUBLIC COMMENT:

An opportunity for Public Comment will be provided during the meeting in accordance with the Lake County Board Rules of Order and Operational Procedures. At the time of Public Comment, it will proceed in the following order: (1) Public Comment by individuals in attendance and then (2) Public Comment by individuals attending remotely through an electronic conferencing application. Individuals may provide written Public Comment that must be received by 3:00 p.m. the day prior to the meeting (emailed to PublicComment@Lakecountyil.gov or delivered to the County Board Office, 18 N. County Street, Waukegan, Illinois, (10th floor)). Written comments will be circulated to the Members, but not read aloud.

PLEASE NOTE: An individual is allowed 3 minutes total for one or more public comments.

Individuals providing Public Comment will provide the following information:

Meeting: Lake County Board (Subject line for written Public Comment)

Topic or Agenda Item #: (REQUIRED)

Name: (REQUIRED)

Organization/Entity Represented: (REQUIRED) ("Self" if representing self)

Street Address, City, State: (Optional)

Phone Number: (Optional)

Email: May be REQUIRED for remote attendance

CALL TO ORDER

Chair Hart called the meeting to order at 9:00 a.m.

MOMENT OF SILENCE**PLEDGE OF ALLEGIANCE**

Member Hewitt led the Board in the Pledge of Allegiance.

ROLL CALL OF MEMBERS

Present 18 - Member Altenberg, Member Casbon, Member Clark, Vice Chair Ross Cunningham, Member Danforth, Member Frank, Chair Hart, Member Hewitt, Member Hunter, Member Knizhnik, Member Kyle, Member Maine, Member Parekh, Member Pedersen, Member Roberts, Member Schlick, Member Vealitzek and Member Wasik

Absent 1 - Member Campos

ADDENDA TO THE AGENDA**PUBLIC COMMENT**

*Public Comment on items not on the agenda, was made by:
Mary Conley Eggert, representing Lake County Lake Lovers
Becky Sawle, representing Lake County Lake Lovers*

CHAIR'S REMARKS

After over ten years of planning, I was joined by many Board Members along with Congressman Brad Schneider, at the ribbon cutting for the Lake County Regional Operations and Communications (ROC) Facility, which will act as a central hub to coordinate 9-1-1 services and emergency response across the county.

The ROC is over 37,000 square feet and will house:

LakeComm

The Joint Emergency Telephone System Board (JETSBS) of Lake County

The Lake County Emergency Management Agency (LCEMA) and its Emergency Operations Center

The ROC is designed to withstand severe weather events, including tornadoes and long-term power outages. It is Lake County Government's first Net-Zero building. It will consume no more energy than is produced from renewable sources. It is powered by more than 1,900 solar panels and is heated and cooled using a geothermal energy system of 56 wells located 400 feet below ground.

I also want to recognize that July is Disability Pride Month, commemorating the signing of the Americans with Disabilities Act (ADA) on July 26, 1990. Lake County celebrates the equal rights, dignity, and contributions of people with disabilities and reaffirms its commitment to building a community rooted in respect, inclusion, and accessibility for all. In support of this commitment, the County Board approved the development and implementation of a comprehensive ADA Transition Plan.

Lastly, but importantly, we are recognizing Erica Golston for her 35 years of service to the Lake County Health Department and the residents of Lake County.

UNFINISHED BUSINESS**NEW BUSINESS****CONSENT AGENDA (Items 1 - 25)**

Items 8 and 11 were removed from the Consent Agenda.

REGULAR AGENDA

HEALTH AND COMMUNITY SERVICES COMMITTEE

26 [25-0895](#)

Board of Health Report.

Mosquitoes Test Positive for West Nile Virus in Lake County
A pool (or batch) of mosquitoes sampled on June 24, 2025, at a Southlake Mosquito Abatement District (SLMAD) trap in Highland Park has tested positive for West Nile virus. This is the first confirmed indicator of West Nile presence in Lake County in 2025. The Lake County Health Department's Mosquito Surveillance Program coordinates mosquito trapping results throughout Lake County. Mosquitoes are tested weekly for West Nile virus. The program also monitors reports of dead birds (an early sign of the presence of the virus) and investigates areas of stagnant water for the presence of mosquito larvae, specifically from the Culex mosquito, which is the primary carrier of West Nile in Illinois.
In 2024, 154 out of 724 pools or batches of mosquitoes tested positive for West Nile virus. So far in 2025, 1 out of 129 pools or batches have tested positive. Since 2002, there have been 86 confirmed human cases of West Nile virus in Lake County and 5

confirmed deaths.

Most people infected with West Nile virus have no symptoms of illness. However, some may become ill usually 3 to 15 days after the bite of an infected mosquito. Common symptoms include fever, nausea, headache, and muscle ache.

In some individuals, severe illness, including meningitis or encephalitis, or even death, can occur. People older than 50 and individuals with weakened immune systems are at higher risk.

Practice the “4 Ds of Defense” to protect yourself and your family from mosquitoes; Drain standing water; Defend using an EPA-approved insect repellent; limit time outdoors during Dawn and Dusk, which are prime hours of mosquito activity; and Dress, wearing clothes and shoes that cover your skin.

Find more prevention tips and information on West Nile virus at www.FightTheBiteNow.com.

Residents can also call the Health Department’s West Nile hotline at (847) 377-8300 to report areas of stagnant water, locations of dead birds, and obtain more information on the signs and symptoms of West Nile virus.

Summer Food Safety

With summer in full swing, many enjoy cookouts, picnics, and family gatherings. Keep foodborne illness at bay by following the four steps of food safety:

Clean: Wash your hands, surfaces, and utensils frequently.

Separate: Keep raw foods and ready-to-eat foods separate.

Cook: Cook food to the right temperature.

Chill: Refrigerate food promptly.

One of the biggest causes of foodborne illness is temperature. Ensure food is cooked thoroughly, stored at the right temperature, and kept out of the “Danger Zone” of 40° F to 140° F.

For more information, visit CDC.gov/FoodSafety.

Beach Monitoring and Safety

Before heading out to your favorite lake or beach this summer, check and see if it is open for swimming. If a swim ban is in place, do not swim in the lake.

Recreational water illnesses can spread if a person swallows, comes in contact with, or breathes in water contaminated with germs or chemicals. Diarrhea is the most common recreational water illness.

The Health Department monitors lake water for bacteria in over 100 Lake Michigan and inland lake beaches. The Health Department regularly samples and tests Monday through Thursday at Lake Michigan beaches and once every two weeks at inland lakes. If a lake tests high for *E. coli*, it is resampled daily Monday through Thursday until levels drop below the required levels for safe swimming.

Beach closure information can be found on the Health Department’s Beach Monitoring and Advisories web page, www.lakecountyil.gov/2385, which is updated daily by 10:00 a.m.

Avoid swimming in lakes after a large rain event, since rainfall can wash pollutants into lakes resulting in elevated bacteria levels.

At inland lakes, occasional harmful algae blooms may occur. Avoid areas where the water has a green or blue-green appearance. Report any algae blooms to the Health

Department by calling (847) 377-8020.

Operation Dropbox

The Lake County Health Department, in partnership with the McHenry County Health Department, Veterans Path to Hope, and Lake County Veterans and Family Services, recently participated in Operation Dropbox.

Operation Dropbox is a multi-county initiative wherein Medical Reserve Corps volunteers collect donations from drop sites for veterans in need. Operation Dropbox allows volunteers to conduct a critical hands-on training exercise, reinforcing emergency response capabilities while also collecting items for local veterans.

In Lake County, 40 organizations participated as drop site locations and collected 4,507 pounds of donations. Lake County donations were directed to the Lake County Veterans and Family Services, the county's satellite site for Veterans Path to Hope. Staffed by veterans, the center serves as a drop-in center and offers the same core services to veterans and their families throughout Lake County.

Together, McHenry and Lake counties set new records for the Operation Dropbox program, with a combined total of 132 organizations and 11,427 pounds of donations—the highest in the program's history.

This year's expansion and success would not have been possible without the efforts of dedicated volunteers and the support of participating businesses, schools, churches, libraries, and local government organizations across both counties.

Those interested in volunteering with the Lake County Medical Reserve Corps can contact the Lake County Health Department at HLHealthEM@lakecountyil.gov or (847) 377-8186.
