

## John J. Malcolm

### Summary:

Over twenty-nine years of progressive experience with increasing responsibilities in performing fire protection and emergency medical services for the Village of Mount Prospect. Diversified training and certifications in fire service programs with proven interpersonal skills and a commitment towards superior fire protection and community service. A proven leader with cooperative labor management experience, strong background in problem solving, organizational development, and customer service.

### Work Experience:

#### **Lake Zurich Fire Department**

**October 2015 – Present**

#### **Fire Chief**

Perform a variety of technical, administrative, and supervisory work in planning, organizing, directing, and implementing fire prevention, suppression, and emergency medical services to prevent or minimize the loss of life and property by fire and emergency medical conditions.

Administrative duties include, but not limited to planning, directing, and controlling departmental activities including recruitment of personnel, purchase of equipment, control of expenditures, preparation of budget, and the assignment of personnel and equipment.

#### **Mount Prospect Fire Department**

**November 2010 – October 2015**

#### **Fire Chief/Emergency Management Coordinator**

Perform a variety of technical, administrative, and supervisory work in planning, organizing, directing, and implementing fire prevention, suppression, and emergency medical services to prevent or minimize the loss of life and property by fire and emergency medical conditions. Serve as emergency manager for the Village of Mount Prospect.

Administrative duties include, but not limited to planning, directing, and controlling departmental activities including recruitment of personnel, purchase of equipment, control of expenditures, preparation of budget, and the assignment of personnel and equipment. Restructured fire department staffing and deployment model to meet the budget priorities set by the Mayor and Village Board.

Highly focused on labor/management relations and experience leading a fire department through difficult financial times, including potential layoffs in 2010. Develop and update the fire department's 5-year strategic plan. Received over \$1,000,000 in Federal Grants since 2010. Develop, manage and maintain all aspects of a \$13,000,000 budget for 3 fire stations, 28 vehicles, and 74 full-time, 15 seasonal employees, and 40 volunteers.

**May 1998 - November 2010**
