Dear Chairman Lawlor:

I am writing this letter in support of the Grayslake Fire Protection District Board of Trustees Recommendation to appoint Ms. Karen Wojciechowski to the Grayslake Fire Protection District Board of Trustees. President Lester Stang's decision to not seek reappointment required the Board to look critically at his upcoming replacement to ensure that any individual brought forward to you would only strengthen the mission and goals of the District. Ms. Wojciechowski is a lifelong resident of Grayslake and currently serves as the Chairperson of the Fire District Board of Fire Commissioners. In this leadership position she has discussed with me her desire to increase her involvement in the organization. Karen provides valuable information and insight to the District and our organization in general, and I feel she has a clear understanding of the responsibilities borne by District Trustees to the organization, citizens, and County. Ms. Wojciechowski appreciates fire protection district operations and her strong financial background will support my insistence of fiscal responsibility within our Fire District.

I truly believe it is in the best interest of the officers, members, and citizens of the Grayslake Fire Protection District for Ms. Karen Wojciechowski to be appointed as a member of the Grayslake Fire Protection District Board of Trustees. If you have any questions, please feel free to contact me at any time. For your reference, I have included her resume with this letter.

Respectfully,

A handwritten signature in black ink, appearing to read "J.R. Christian".
