REGULAR AGENDA

STATE'S ATTORNEY'S OFFICE

8.4 [23-1645](#)

Joint resolution authorizing the acceptance and execution of a Smart Prosecution - Innovation Prosecution Solutions grant awarded by the Bureau of Justice Assistance (BJA) to the Lake County State's Attorney's Office for forensic analysis software (GrayKey) that the Cyber Crimes Unit can utilize to extract data from electronic devices, including an emergency appropriation of \$59,629 in federal funds.

- The Lake County State's Attorney's Office has applied for a Smart Prosecution -

Innovation Prosecution Solutions grant through the Bureau of Justice Assistance (BJA).

- The grant term is for two years, from October 1, 2023 through September 30, 2025.
- In recent years, there have been multiple challenges with the forensic examination of newer electronic devices. This has made it difficult for law enforcement and the Cyber Unit to extract data that could be used to obtain critical information in the investigation of violent or white-collar crime cases. With the procurement of GrayKey software, criminal investigators and analysts will be able to quickly extract file information from an electronic device. Additionally, the GrayKey software is constantly being updated as new security features are released by developers.
- Program funding of \$59,629 is allocated to the LCSAO and includes one year of GrayKey software costs. No match is required for this award.
- If funding for this service ends, and new funding is not secured, the service will be eliminated.

Resolution Amending Chapter 95 of the Lake County Code of Ordinances (Smoke-Free Environment).

- The primary purpose of the proposed amendments to Chapter 95 is to align it with Illinois law regarding the use of electronic cigarettes in public places.
 - The Governor of Illinois signed Public Act 103-0272 into law on July 28, 2023, which becomes effective on January 1, 2024.
 - Public Act 103-0272 amends the Smoke-Free Illinois Act (410 ILCS 82/10) and includes the use of electronic cigarettes into the definition of “smoking”.
 - The amendments effectively prohibit the use of electronic cigarettes in public places in the same manner that traditional smoking is prohibited.
- In addition to aligning Chapter 95 with Illinois law regarding the use of electronic cigarettes in public places, other proposed amendments to the Chapter include:
 - The Ordinance Findings and Recitals are proposed to be simplified, recognizing that indoor smoking is prohibited by Illinois law, which was not the case when the Chapter was originally adopted in 2007.
 - There is proposed clarification and consistency in the use of the term “within unincorporated Lake County” which is the designated area in which the ordinance is enforced.
 - There is proposed clarification of the authorized enforcing agencies of the ordinance.
