Joint resolution accepting the Tobacco Enforcement Program grant from the Illinois Department of Human Services (IDHS) Division of Alcoholism and Substance Abuse and authorizing an emergency appropriation in the amount of \$7,260.

- The Tobacco Enforcement Program grant, previously overseen by the Illinois Liquor Commission, is currently administered by the IDHS Division of Alcoholism and Substance Abuse.
- The Lake County Sheriff's Office (LCSO) has received this grant since 2005.
- The LCSO, once again, applied for and was awarded this grant for performance period from February 1, 2018 through June 30, 2018.
- The grant includes two phases: 1) distribution of tobacco product and enforcement educational information to retailers and 2) completion of compliance checks (at least 2 required per retailer).
- Compliance checks must be completed between March 30 and May 31.
- This is a fixed-rate grant that will reimburse the LCSO \$55 per retailer for educational visits and \$55 per retailer for completing the required compliance checks.
- When the grant was submitted there were 66 vendors, and the grant reimbursement was valued at \$7,260.
- After the grant request was submitted, two additional retailers began operating in Lake County. The two new retailers were added to the LCSO retailer list which increased the total from 66 to 68.
- Despite the retailer increase and subsequent increased activity, the State is unable to

increase the reimbursement at this time.

- The first round of compliance checks generated five citations for illegal tobacco sales, which have the potential to collect \$700 in fines.

- The contract includes a continuation of services for two eight and a half hour shifts per day, for a total of 17 hours per day or 6,205 hours per year.
- This contract includes an increase to reflect anticipated labor cost, such as the cost of 911 dispatch services, into the pricing structure of the contract.
- This contract requires Long Grove on a semi-annual basis to reimburse the LCSO all e-citation and prisoner review agency fees disbursed to Long Grove by the Circuit Court Clerk.
- The remaining hourly rate charges are consistent with recently approved County police services contracts.

Joint resolution authorizing the Lake County Sheriff's Office (LCSO) application for the MacArthur Foundation Innovation Fund Implementation Site Grant in an amount not to exceed \$1,000,000 per year for a two-year period.

- In February 2017, the LCSO was awarded a \$50,000 Jail Diversion Case Management Grant through an Urban Institute Innovation Fund Competition hosted by the John D. and Catherine T. MacArthur Foundation.
- The LCSO has served as the lead agency on this grant, and NICASA Behavioral Health Services has provided intensive case management aimed at reducing the incarceration of 30 individuals identified as high jail utilizers.
- In February 2018, the LCSO received an invitation to submit a readiness assessment for an Implementation Site Funding Grant worth up to \$1,000,000 per year for a two-year period. Implementation Site Funding seeks to increase the number of jail facilities that have demonstrated they are capable of continuing their jail population reduction strategies.
- The LCSO submitted its readiness assessment, the first of four application phases, to the Urban Institute and after its review; the LCSO was notified of its advancement to the next step of the application process, data analysis. The LCSO is in the process of providing the information requested.
- In order to realize success in this effort, it is imperative to have participation and commitment from all justice partners to collaborate and explore additional methods to

decrease the jail population.

- To that end, the LCSO has actively pursued commitment from the State's Attorney, Public Defender, Circuit Court Clerk, Probation and the Judiciary.
- Additionally, Nicasa has confirmed their commitment to provide intensive case management to an increased number of high utilizers in the jail.
- Upon County Board authorization, the LCSO will submit its grant application. Applications are due in early June of 2018, and it is anticipated that final funding decisions will be communicated in September 2018.
- This grant does not require a direct match, but will require the LCSO to commit in-kind resources to manager the program, as well as track and monitor grant funds.
