### Joint Purchase Information

#### Scope of Work:

There is a need to update the Genetec security servers for following locations: Lake County Courthouse, Lake County Babcox, Depke Juvenile Justice Facility, Mundelein Branch Court, North Branch Court, Park City Branch Court and the Central Permit Facility.

#### Procurement Method:

Facilities identified a national cooperative contract with Omnia that provides the cost for goods, services and labor at an already negotiated rate. This is authorized by Article 10, Section 101 of the Lake County Purchasing Ordinance.

#### Department Recommendation:

The Purchasing Division vetted the contract with Omnia and determined that it met the requirements pursuant to State of Illinois Joint Purchasing Act and the Lake County Purchasing Ordinance. Lake County may participate in a joint purchasing agreement for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
