- I really enjoy working on the Council to improve the overall experience at the Lake County Health Department. I believe we work in unison to promote the patient's best interest. Thank you.
- The governing council is a pleasure to serve on. We are able to effectively fulfill our duties due to the expertise of staff in preparation and explanation of background information on action items in committees and council.
- Very happy to serve on GC to help make our Health Department better for the clients we serve. It has always been my goal to serve in the medical field to help those in need. Our agency is doing a great job and we have the best Health Department in the world to serve our clients in Lake County. May God continue to bless our Health Department, Leadership, and Staff.
- My experience as a Governing Council member I feel has been unique. As a member and committee member I participated at a level which taught me how important my community involvement helped to advocate for the people we serve.
