Recitals

1. In an agreement titled *Intergovernmental Agreement Regarding Regional 911 Consolidation* and made effective September 6, 2018 (the “**Consolidation IGA**”), twenty-one governmental entities partnered to create “a detailed analysis of the costs and benefits of 911 consolidation,” and endeavored “to create an implementation plan for consolidated 911 communication services.”
2. The Consolidation IGA set forth a governance structure and other procedures that its signatories have followed over the two years since that IGA’s inception.
3. The initial term of the Consolidation IGA was two years from its effective date, but the Parties continue to work to achieve the goals they set forth in that document. For that reason, the Parties seek to extend the term of the Consolidation IGA through this Modification.

In light of the foregoing, the Parties agree as follows:

1. The term of the Consolidation IGA, as set forth in its § 4.3, shall be extended from September 6, 2020 (its original end date) for an additional year to September 6, 2021.

2. Aside from the extension of the Consolidation IGA's term, all other provisions of the Consolidation IGA shall remain in full force and effect.

3. The Parties may sign this modification in several counterparts, each of which will be deemed an original but all of which together will constitute one instrument.
