RE: Encroachment upon Public Utility Easement at 40681 N. North Newport Dr, Antioch, IL

Dear Mr. and Mrs. Elders,

In response to your request to encroach onto or upon the public utility easement at the rear of the property for the purpose of building a retaining wall, we are granting your request to encroach upon the described location. There is a buried working cable located at the rear of the lots, please contact J.U.L.I.E. for locate prior to any digging. Any damage to underground facilities will be the homeowner's financial responsibility to restore.

AT&T has no objection to this request subject to the following conditions:

Illinois Bell Telephone Company, LLC, an Illinois limited liability company, d/b/a AT&T Illinois, an Illinois corporation hereby waives its rights to maintain suit for the removal of said encroachment but otherwise retains all of its rights in and to said easement including, but not limited to, the recovery of damages for injury to its plant whether buried or aerial or to its employees cause by you or your agents, employees, contractors, successors or assigns whether resulting from the erection, maintenance or use of said encroachment or otherwise.

Moreover, where said encroachment is located above buried cable or conduit or in close proximity to buried or aerial plant serviced, altered, replaced, modified or maintained by Illinois Bell Telephone Company, LLC, an Illinois limited liability company, d/b/a AT&T Illinois, an Illinois Corporation, said Company's liability to you for damage to said encroachment resulting from such servicing, alteration, replacement, modification or maintenance is limited to restoring said encroachment to its prior existing state to the extent such can reasonably be done under the circumstances.

Illinois Bell Telephone Company, LLC, an Illinois limited liability company, d/b/a AT&T Illinois reserves our rights to such property, rights of way and easements as necessary for access, maintenance, renewal and reconstruction to continue providing public utility service per the Illinois Municipal Code (65 ILCS 5/11-91-1) (From Ch.24. Par. 11-91-1) and SB2442.

Please contact J.U.L.I.E. before any digging 1-800-892-0123.

NOTE: always include any pertinent info from Engineer as a note. Ex: buried fiber or copper cable within easement along the property line, etc.
