

ROBERT M. DeWULF

From 1974 to present employed by Abbott Laboratories.

I have been in a supervisory position since 1983.

Since 1995 I have been a Predictive Maintenance Engineer.

I have served as a volunteer fireman with the Knollwood volunteer
fire department since 1992.

I have been a little league baseball coach for the past nine years.

I was raised in Knollwood. I continue to make my home there along with my
wife, Judy, and our three children.
