# 2015 Public Improvements Application

*Lake County & North Chicago Community Development Block Grant  
(CDBG)*

Lake County Community Development

## Who Can Apply

Local governments, public agencies, public housing authorities, nonprofit and for-profit entities. Of these, only municipalities and townships may apply for funding for public infrastructure projects. Departments of Lake County shall be considered individual units of government for application purposes, and are eligible for CDBG funding on their own behalf.

**Comment [A3]:** HCDC Decision Point #6 (Language here is from 2014)

## Funding Goals

The 2015-19 Consolidated Plan for funding from the U.S. Department of Housing and Urban Development (HUD) for Lake County and North Chicago states the following ten goals, of which at least one of the goals in bold must be the focus of this application for funding.

**Comment [A4]:** HCDC Decision Point #1

1. Rehab Housing for Low/Mod Income Families & Special Needs Populations: *To conserve Lake County's affordable and mixed-income housing stock in order to provide a decent home and a suitable living environment for low and moderate income households and special needs populations.*
2. Develop New Housing: Affordable & Special Needs: *To expand Lake County's affordable and mixed-income housing stock in order to provide a decent home and a suitable living environment for low and moderate income households and special needs populations. Activities may include providing infrastructure to new affordable and mixed-income housing.*
3. Assist People Without a Home: *To end homelessness in Lake County.*
4. Subsidize Housing for Low/Mod Income Families: *To provide direct assistance to facilitate and expand homeownership among and/or to provide rental assistance to persons of low and moderate income.*
5. **Provide Adequate Low/Mod Income Area Infrastructure: *To revitalize deteriorating or deteriorated neighborhoods.***
6. **Revitalize Low/Mod Income Area Business Districts: *To alleviate physical and economic distress through the stimulation of private investment and community revitalization in areas with declining tax base.***
7. **Assist People with Disabilities: *To provide both services to people with disabilities and accessibility modifications to the homes, facilities and workplaces of people with disabilities, including the elderly.***
8. Provide Welcoming Communities: *To foster welcoming, inclusive and neighborly suburban communities.*
9. **Create Jobs for Low/Mod Income Workers: *To create or retain jobs for low- and moderate-income persons by providing assistance to small business incubators, small businesses and/or microenterprises.***
10. Provide Services for Job Stability: *To support low and moderate income workers in need of job training, of transportation for access to employment or of access to affordable, quality child care.*

## Funding Availability

For 2015, the Housing & Community Development Commission anticipates an estimated \$1 million to be available in the 2015 CDBG Public Improvements application round. Based on this estimate and the budget for the five-year Consolidated Plan period, the target funding amounts for each goal in this application round are as follows:

#	Goal	Eligible Activities	Target 2015 Funding Amount
5	Provide Adequate Low/Mod Income Area Infrastructure	Flood Drainage / Road Improvements / Water-Sewer Improvements	\$354,318
6	Revitalize Low/Mod Income Area Business Districts	Acquisition / Demolition / Rehabilitation <sup>1</sup> / Road Improvements / Water-Sewer Improvements	\$346,368
7	Assist People with Disabilities	Accessibility Enhancements (Homes & Facilities)	\$260,753
9	Create Jobs for Low/Mod Income Workers	Microenterprise Assistance	\$121,490

Comment [A5]: HCDC Decision Point #2

This application does NOT include services for people with disabilities or services for job stability (childcare/training/transit) which are eligible activities in the CDBG Public Services application.

## Funding Eligibility: National Objectives

A project is eligible for CDBG funding when it can meet a “national objective” that demonstrates a principal benefit for low- and moderate-income persons. The potential national objectives for the four goals for which funding is available in this application are as follows:

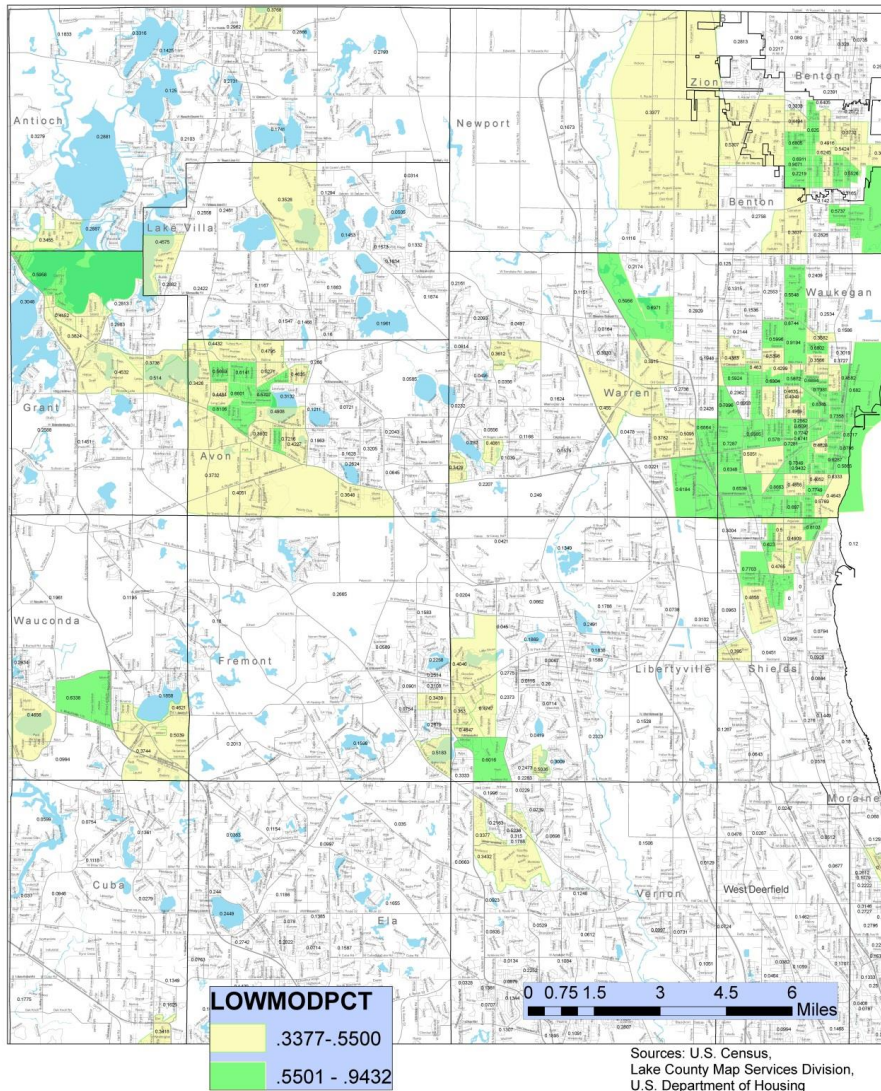

#	Goal	National Objective
5	Provide Adequate Low/Mod Income Area Infrastructure	Low/Mod Area Benefit <sup>2</sup>
6	Revitalize Low/Mod Income Area Business Districts <sup>3</sup>	Low/Mod Area Benefit <sup>2</sup>
7	Assist People with Disabilities	Low/Mod Area OR Clientele
9	Create Jobs for Low/Mod Income Workers	Low/Mod Area Benefit <sup>2</sup>

<sup>1</sup> For commercial property owned by a for-profit, rehabilitation is limited to exterior improvements of the building and the correction of code violations.

<sup>2</sup> Project is located in a HUD Qualifying census block group at least 33% comprised of low- and moderate-income households. See map below.

<sup>3</sup> Commercial area with moderate to intense level of business including a variety of facilities, stores and services.

Effective July 1, 2014

The mapped boundaries of the US Census geography do not align precisely with County data.  
Please confirm project eligibility with Community Development staff.

## Funding Eligibility (Continued)

### Low/Mod Income Area Benefit

The preceding HUD Qualifying Block Group map indicates concentrated areas of low- and moderate-income households in shaded (in a color version of the map, in green and yellow) areas where a project may qualify as Low/Mod Area Benefit. To meet this criteria, not only must the project be in a qualifying census tract block group, it must reasonably demonstrate that it principally benefits low- and moderate-income persons.

Projects that target ANY of the four goals targeted by this application may qualify under the Low/Mod Income Area Benefit National Objective. Examples of such projects are in the following table:

#	Goal	Low/Mod Income Area Benefit Example
5	Provide Low/Mod Infrastructure	Flood drainage/road improvement of local road in a neighborhood located in HUD Qualifying Block Group (see preceding map)
6	Revitalize Business Districts	Facade improvement program in business district located in a HUD Qualifying Block Group (see preceding map)
7	Assist People with Disabilities	Accessibility enhancements in a nonresidential structure or common area of a multifamily residence located in a HUD Qualifying Block Group (see preceding map)
9	Create Jobs for Low/Mod Workers	The microenterprise assisted must provide services to a residential area that has a sufficiently high percentage of Low/Mod income persons. For example, a small carry-out store in a neighborhood having more than 51% Low/Mod income residents

In Low/Mod Income Area Benefit activities, potential outcomes can be measured by the number of low- and moderate-income people, based on Census data, who live in the area and would potentially directly benefit from the improvement or amenity.

### Low/Mod Income Clientele

A more likely way to qualify Goal #7 (Assist People with Disabilities) projects for CDBG is under the Low/Mod Income Clientele national objective. In this national objective, a project must exclusively benefit "a clientele who are generally presumed by HUD<sup>4</sup> to be principally Low/Mod income persons such as:

- Elderly persons who can be reasonably believed to be low- or moderate-income
- Severely disabled adults as defined by the U.S. Census.

Comment [A8]: HCDC Decision Point #1

<sup>4</sup> U.S. Department of Housing & Urban Development which administers the Community Development Block Grant (CDBG) program

CDBG funds can be used to Assist People with Disabilities in several general ways:

- Acquiring, clearing or improving a site to be principally used for housing or services to people with disabilities;
- Rehabilitating a government- or privately-owned nonresidential building to be accessible to people with disabilities;
- Improving accessibility of homes through installation of chair lifts and grab bars; and
- Rehabilitating common areas of a multifamily residence to remove material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons.

In Low/Mod Income Clientele activities, potential outcomes can be measured by the number of people assisted who are either elderly persons or severely disabled adults as defined by the U.S. Census.

## Previous Grant Awards - Initiation Requirements

CDBG Applicants who have not initiated approved 2014 Program Year projects by this year's application submission deadline may be disqualified for funding in Program Year 2015. Please contact staff if you have questions about this requirement.

## Application Amount

Each application amount must be for no more than \$100,000.

## Deadline

All applications must be delivered to the Community Development team of the Lake County Department of Planning, Building and Development no later than **May 6, 2015 – 4:00pm**

## Submission Format

Each eligible applicant is limited to one competitively pointed application per program year.

Applicants are required to submit **one original application, five copies and one electronic copy**. Application copies may be double-sided but must be left side three-hole punched. Please do not use staples. Applications must be complete when submitted. Incomplete applications will be returned to the applicant and not reviewed for funding in this program year. No changes of information or additional information will be accepted after the designated deadline unless requested by the Community Development staff for clarification purposes. Upon request, applications may be reviewed by staff prior to final submission.

## DUNS Number and SAM Registration

All applicants are required to register with Dun and Bradstreet to obtain a DUNS number, if they have not already done so, and complete or renew their registration with the System for Award Management (SAM) at [www.sam.gov](http://www.sam.gov). Information about this process will be presented at the application workshop.

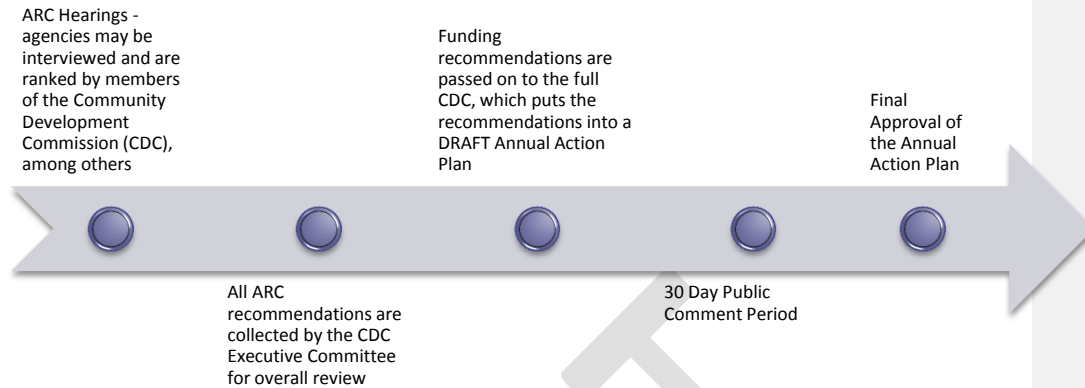

## National Environmental Policy Act

In order to comply with the National Environmental Policy Act (NEPA) directives, applicants shall provide complete and accurate information about environmental issues relating to their proposed activity or project. Such information will be analyzed and demonstrate a thorough investigation of possible or actual implications as a result of the proposed project. The applicant shall consider and document necessary mitigating measures to be designed or undertaken before or during the implementation of its project or activity in order to alleviate adverse impact upon the environment.

## Application Review Process

Eligible applicants for Lake County Community Development funding will be reviewed by an Application Review Committee (ARC) composed of members of the Housing & Community Development Commission. ARC recommendations for funding will then be forwarded to the Housing & Community Development Commission's Executive Committee for review for compliance and recommendation to the full Housing & Community Development Commission. A public hearing will be held on June 10, 2015, at which the public may comment on the recommended agencies for funding.

### Appeals Process

Any applicant whose application is rejected by staff for any reason may appeal that decision to the Housing & Community Development Commission's Executive Committee. A hearing for any rejected applications is scheduled for Wednesday, May 13, 2015 at 2:30pm. Any applicant wishing to appeal the rejection must notify staff no later than 4:00pm on Monday, May 11, 2015. All appeals will be heard. More information can be found in the Lake County Citizen Participation Plan and Housing & Community Development Commission by-laws.

A project applicant not initially recommended for funding may request reconsideration by presentation to the full Housing & Community Development Commission. Applicants will be limited to three (3) minutes in which to address the Commission. A Public Hearing for the detailed 2015 Annual Action Plan is scheduled for June 10, 2015. Applicants may also submit written comments to: Housing & Community Development Commission Chairperson, Lake County Community Development, 500 W. Winchester Road, Unit 101, Libertyville, IL 60048.

### Application Submittal

Hand delivery of applications is recommended. Hand delivered applications should be delivered to:

Lake County Central Permit Facility  
Attn: Community Development Application  
500 W. Winchester Road, Unit 101  
Libertyville, IL 60048

### US Mail, FedEx, UPS or DHL

Mailed or shipped applications should be sent registered or certified mail and must be received by the deadline. All applications should be sent to the address listed above.

Acceptance of the application does not obligate the Housing & Community Development Commission to fund the application, nor does it guarantee that the application is complete as submitted.

#### G. National Environmental Policy Act Compliance

G1. Please provide a precise and detailed location map describing the project area.

G2. Will the project traverse or impact a floodplain or wetland area?

☐ Yes

☐ No

Please provide a map (FIRM, FEMA) identifying the floodplain or wetland area as it relates to project implementation.

*G3. What compensating design features have been included to mitigate any adverse environmental impacts related to the proposed construction? Please explain.*

*G4. Infrastructure: will project replace and upgrade an existing and functioning system?*

*G5. Will the project substantially increase the present capacity of specific service(s) to the area? Explain.*

*G6. Will it be necessary to obtain temporary or permanent easements? If yes, please identify affected property owners.*

*G7. Is the project going to disturb land previously not disturbed (except for agriculture)? To the best of your knowledge is there anything of historical or archaeological significance in the area?*

## H. Project Budget

Please complete the following chart or attach a **detailed** project budget identifying sources of funds expected to be available for design, construction and completion of the project for which you are applying. Maximum grant award is \$100,000 per program year.

<b>Total % Leverage (Applicant + Other Funds) ÷ Total Costs</b>	

**All applicants must submit a copy of their most recent audit report with the application.** If the most recent audit report has already been submitted, indicate the date of the audit and the date it was submitted to the County.

Date of Audit \_\_\_\_\_ Date Submitted: \_\_\_\_\_

## I. Leverage

**A minimum of 20% of the estimated project cost must be offered by the applicant.**

Leveraging may be provided in the form of materials and/or labor, cash and/or other non-CDBG funding. The minimum percent of leveraging which is pledged for the project must be maintained, regardless of the amount of Community Development Block Grant funds awarded.

**Comment [A16]:** The answers to this Section are revealed in the Project Budget section above

Sources of applicant's leverage:	Amount:
<b>Total leverage offered</b>	

Calculate leverage percent: total leverage offered divided by total project cost equals leverage percent.

$$\frac{\text{Total leverage offered}}{\text{Total project cost}} = \text{Leverage percent}$$

### NOTES:

CDBG funds, including previously awarded CDBG funds, cannot be counted as leverage.

**Applicant's promised leverage funds must be expended prior to requesting awarded CDBG funds.**
