Dear Ms. Flanigan:

I am writing with information concerning the continuation of Victims of Crime Act (VOCA) grants. Unfortunately we have not yet received the actual VOCA FFY15 Award, but we expect to continue funding at the same designations levels as last year. If the VOCA FFY15 Award is less than expected we will need to readdress these designation amounts and you will be informed of any changes.

At the June 19, 2015 Budget Committee designation recommendations were approved for the anticipated VOCA award. In order to assist you in beginning the continuation process without the actual FFY15 VOCA award, I have attached the Exhibit A and Exhibit B materials, as well as a boiler Cover Page, so you can begin the continuation material process. Please use the unofficial Federal designated amount of \$61,553 for continuation of this program. This designation requires a local matching contribution of \$15,388. This designation will not be official until the actual FFY15 VOCA Award is received. The agreement # will be **215836**.

If you have any questions concerning this designation, please feel free to call me at 312-793-8404 or email me at [Malea.Conro@Illinois.gov](mailto:Malea.Conro@Illinois.gov). I look forward to working on the continuation of this program.

Sincerely

*Malea Conro*
