**NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY BOARD OF LAKE COUNTY, ILLINOIS, AS FOLLOWS:**

## **ETHICS ORDINANCE FOR THE COUNTY OF LAKE, ILLINOIS**

**BE IT ORDAINED** by the County Board of the County of Lake, Illinois:

### **PURPOSE**

The Illinois General Assembly has enacted the State Officials and Employees Ethics Act (Public Act 93- 615, effective November 19, 2003, as amended by Public Act 93-617, effective December 9, 2003), which is a comprehensive revision of State statutes regulating ethical conduct, political activities and the solicitation and acceptance of gifts by State officials and employees.

The Act requires all units of local government to adopt ordinances or resolutions regulating the political activities of, and the solicitation and acceptance of gifts by, the officers and employees of such units "in a manner no less restrictive" than the provisions of the Act.

The clear intention of the Act requires units of local government to implement regulations that are at least as restrictive as those contained in the Act, and to impose penalties for violations of those regulations that are equivalent to those imposed by the Act, notwithstanding that such penalties may exceed the general authority granted to units of local government to penalize ordinance violations.

The clear intention of the Act provides units of local government with all authority necessary to implement its requirements on the local level regardless of any general limitations on the power to define and punish ordinance violations that might otherwise be applicable.

Furthermore, it is the goal of the county board and its chair to provide equitable, efficient, effective, and honest government. These goals thereby create and enhance an environment where county officials and employees can administer county services with integrity and objectivity. The purpose of this ordinance is to provide a framework for the ethical and legal standards that county officers and employees must follow while conducting county business.
