Absent: 2 - Member Paxton and Member Frank

REGULAR AGENDA

LAKE COUNTY BOARD

29 **17-0213**

911 Emergency Dispatch Consolidation Report.

911 Consolidation: 12/2017

The phase II study is complete and provides an excellent framework, not surprisingly, there remain more detailed questions yet to be answered.

In response, Lake County hosted a follow up meeting in September to discuss next steps. From there the county met with several communities to understand what questions remain for communities and public safety entities. What are the outstanding issues and what do public safety entities need to proceed with 911 consolidation?

The result is a letter to communities and public safety entities encouraging them to come together for a final detailed analysis to develop an implementation plan that outlines a path forward to a consolidated 911 system for Lake County.

This letter requests each interested public safety entity pass a resolution committing staff time, financial resources, and their data.

I urge my fellow board members to reach out to the public safety entities in your district and encourage their participation. This project is about improving service and saving tax

payer dollars. I have placed a copy of the letter at your desk and Amy McEwan is here to answer any questions.

HEALTH AND COMMUNITY SERVICES COMMITTEE

30 17-0084

Board of Health Report.

Naloxone Training for Lake County Jail Inmates On Tuesday, December 5, the Health Department launched a Naloxone education program at the Lake County Jail in partnership with the Lake County Sheriff's Office and Treatment Alternatives for Safe Communities (TASC).

The goal of the program is to reduce opioid-related deaths. Former inmates are at high risk for death from drug overdose, especially in the immediate post-release period.

A Lake County Health Department representative will make monthly visits to the Lake County Jail to educate inmates on the use of Naloxone and encourage them to register for individual training.

Inmates who complete Naloxone training will receive a dose of Naloxone and information about addiction treatment services in their property bag. These items are made available to the inmate upon release from jail.

Youth Mental Health First Aid

Lake County residents working with youth in a variety of settings such as schools, medical facilities, social services, and youth groups are encouraged to attend a Youth Mental Health First Aid training.

Youth Mental Health First Aid provides individuals with the knowledge and skills to identify and support adolescents (12-18 yrs. old) that are at risk, displaying warning signs of mental health or substance use problems, or experiencing a mental health crisis.

The Lake County Health Department is offering two training dates at their Waukegan location (3010 Grand Avenue, Waukegan) on January 9 and January 23.

Each training begins at 8:00 a.m. and ends at 5:00p.m.

The cost for the training is \$20 per attendee.

To sign up, contact Angie Stefani at ASTefani@lakecountyil.gov or (847) 377-8961.

Tobacco 21

On November 27, the Village of Mundelein voted in favor of increasing the minimum legal sales age (MLSA) of tobacco products and e-cigarettes to 21. This ordinance will take effect March 1, 2018.

As a reminder, effective January 1, 2018, individuals in unincorporated Lake County must be at least 21 years of age to purchase tobacco products, including e-cigarettes.

For more information on Tobacco 21, contact Tobacco Free Lake County at (847) 377-8090.

31 17-1296

Joint resolution authorizing reallocation of 2017 grant award and program income from the Lake County Affordable Housing Program (AHP).

A motion was made by Member Carlson, seconded by Member Hart, that this item be adopted. The motion carried unanimously.

Lake County Partners Report.

Exports are on the Rise in Lake County

A new Economic Update report from Lake County Partners found that Lake County's exports have skyrocketed 15% over the past 4 years, and they now account for more than \$6 trillion in sales—giving Lake County the distinction of having more exports per capita than any other metro Chicago county. Manufacturing continues to play a large role in Lake County's local economy, with the industry driving job growth and offering career pathways with significant hourly earnings. Lake County's companies make a variety of products that one might not expect—a few interesting examples were recently included in the "Bounty of Lake County" video, which went out in Board Member newsletters and showcased the roles that a few local businesses are playing in holiday meal preparation.

Lake County Partners Teamed with ComEd to Host 1st Economic Development Boot Camp

In November, Lake County Partners and ComEd co-hosted Lake County's first Economic Development Boot Camp at the University Center of Lake County for nearly 100 municipal elected officials and economic development staff. The event featured expert insights from a wide variety of local leaders including Aaron Lawlor, the state of Illinois, Intersect Illinois, site selectors, developers, and Lake County utility partners, who provided tools that communities can use to advance local economic development efforts.

Registration is Now Open for the Annual Engineering Internship & Job Fair

Engineering-focused college students are invited to attend the Lake County Engineering Internship and Job Fair from 1 – 3 p.m. on January 5th at the College of Lake County to pursue jobs with Lake County's top employers in Engineering, Med-tech, Automation, Biopharma, Precision Manufacturing and more. Last year, this same event gave 160 students from across the Midwest the opportunity to meet with nearly 30 local employers. To learn more and register, visit: <http://lakecountycareers.com/>

The Daily Herald Business Ledger is Accepting Business Award Nominations

The Daily Herald Business Ledger is accepting nominations for its Awards for Business Excellence, which recognizes suburban businesses and organizations in a variety of categories. If you know of a company that meets the criteria in your community, consider facilitating an application as this is always a great opportunity to showcase Lake County's businesses on a more regional stage. Additional information can be found on the Business Ledger's website. Nominations are due January 31st.

35 17-1315
