IBFS is CDC licensed for SBA 504 Lending. We offer financing to small businesses for purchasing or building a new or additional facility your clients occupy, replacing depreciated equipment and heavy machinery, new orders for heavy machinery and equipment and improve and/or renovate an existing or newly purchased facility.

As your CDC, IBFS helps develop, package, and process your 504 Loan. We can meet with you and your client at the bank, your client's location or in one of our several office locations, at your convenience. Our IBFS staff will do all the work to make the SBA application easy for the bank and client. We will complete the loan package and obtain SBA approval. IBFS staff will keep the bank and your client aware of the status of the application throughout the process.
