Mr. Joseph C. Szabo  
Executive Director  
Chicago Metropolitan Agency for Planning  
233 South Wacker Drive, Suite 800  
Chicago, IL 60606

Dear Executive Director Szabo,

The purpose of this letter is to communicate Lake County's appointment of Mayor Terry Weppler of the Village of Libertyville to the Chicago Metropolitan Agency for Planning (CMAP) Board pursuant to Public Act 94-510.

This appointment was made in collaboration with the Lake County Municipal League after calling for nominations from all of our 52 communities. This process is more inclusive and transparent than any CMAP appointment selection our county has made in recent memory.

Mayor Weppler is a thoughtful, commitment leader who is currently serving his third term as village president and has served on several municipal and county commissions. Mayor Weppler has a wide range of professional experience including serving as a police officer, firefighter, EMS technician, village prosecutor and local attorney.

He has the vision, independence and critical thinking to navigate the difficult task of evaluating the many priorities and overwhelming fiscal constraints of our region's infrastructure needs. I know he will be a strong advocate for Lake County, a voice for fiscally responsible infrastructure funding and a supporter of government reforms and consolidation efforts the State of Illinois desperately needs.

Please join me, the Lake County Municipal League and all our mayors and village presidents in welcoming Mayor Weppler to the CMAP Board.

Best Regards,

Aaron Lawlor  
Lake County Board Chairman

Cc: Lake County Municipal League  
Mayor Terry Weppler, Village of Libertyville
