RE: Reallocation of LC-CDBG South Sheridan Development Project to an ADA Priority.

To Whom It Concerns,

As you know, LC-CDBG awarded a grant to the City of Waukegan to study the south lakefront, as you may also know the project is no longer proceeding as planned. Alternatively, a recently identified ADA improvement at City Hall needs funding.

The new project will promote ease of access to pedestrian traveling to and from the Lake County Courthouse and parking areas to the West of City Hall. In light of this new information, please reallocate the funds from the South Sheridan Development Project (Approximately \$20,000.00) to the Downtown City Hall ADA Project.

Respectfully,

Sam Cunningham
Mayor,
City of Waukegan

CC:

Tina Smigielski (Finance)
Mike Hewitt (Public Works)
Laraesa Garland (Waukegan CDBG)
Robert Long (Corporate Council)
