Committee membership is open to providers, consumers and citizens from Lake County. This ensures a balance of input from all groups affected by and interested in Lake County Health Department activities. At times, it is necessary to identify potential conflict of interest situations; therefore, please answer the following question.

Currently, or within the last 12 months, have you had any ownership, employment, medical staff, fiduciary, contractual, creditor, consultive, or familial relationship with the Lake County Board of Health, Health Department, or with any of its employees?

☐ Yes☒ No

If Yes, please explain:

Each new applicant for membership is requested to complete this form. Present Committee members shall annually update the information. Each member is also responsible for notifying the Health Department of any change in employment or affiliation.

Attach a resume, if available.

The above information is accurate and correct to the best of my knowledge.
