Waukegan, IL 60085

Re: Lake Zurich Rural Fire Protection District

Dear Chairman Lawlor,

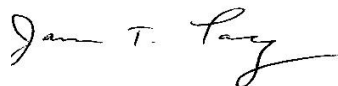

This letter is a request to submit my name for reappointment to the Lake Zurich Rural Fire Protection District, effective May 2, 2018. I have been on the Fire District board for the past five years and would very much like to continue to serve the District. This reappointment is to comply with Illinois 70 ILCS 705/4, and which needs to be a part of the full County Board meeting agenda in April.

Attached is my resume, which has been slightly updated from my prior resume from several years ago. As you know, I am also active with the Lake County ETSB, working with Amy and others in the consolidation efforts and system upgrades.

If you have any questions or wish to discuss anything pertaining to this request, please feel free to contact me. As the Lake Zurich Fire Protection District resides in both Districts 10 and 19, I have copied Board Members Bartels and Taylor on this letter.

Thank you for your time and consideration.

Sincerely,

C: Charles Bartels

Craig Taylor
